A Flower for the Living

*I would rather have a little
rose from*

*The garden of a friend,
Than flowers strewn 'round
my casket*

*When my days on earth must
end.*

*I would rather have a living
smile*

*From one I know is true,
Than tears shed 'round my
casket*

*When this world I bid adieu.
Bring me all the flowers today
Whether pink or white or red,
I would rather have one blossom*

*Now than a truckload when
I'm dead.*
