

Manly Onyon
son of
Jesse L & Ann Logan Onyon
b. 7/19/1876
d. 6/17/1890

A telegram was received by W. L. Henry announcing the death of Manly Onyon at Denver, Colorado, on Tuesday June 17th at the age of thirteen years. The many friends at this place their old home, of Mr. and Mrs. Onyon, will sincerely sympathize with them in their deep affliction, and the little playmates of his school days here are among the mourners for their manly little comrade. He had a long siege of sickness following an attack of pneumonia to which he gradually succumbed.
