Miss Mabel Smart.

Above we publish a portrait of Miss Mabel Smart whose obituary appeared in our last issue. Miss Smart was a daughter of Mr. and Mrs. Jas. Smart, was born in Huston county, Minn., and died Oct. 18, 1908. Besides her parents she leaves two sisters, ~~Evel and Elsie, and two brothers, Harry and Edward, general blacksmiths at Eagle.~~ She was a professional nurse by occupation, a graduate from Trinity hospital, Milwaukee. Her death came with all the force of a

surprise after a brief illness contracted in her profession. Her remains were laid away to rest in the cemetery at Mukwonago by six nurse friends who served as pall bearers. The casket was covered with many and beautiful floral tributes from classmates, friends and neighbors. Mabel was a member of the Congregational church, a most faithful nurse and thus endeared herself to all. Her life, though brief, was useful, and we all join in extending sympathy to the bereaved family.
