**ST. BRUNO'S CATHOLIC CHURCH CEMETERY
Dousman, Waukesha County Wisconsin**

The cemetery is located in the Town of Ottawa, West of Dousman on County Highway Z, west of Highway 67 behind St. Bruno Catholic Church.

The first cemetery of St. Bruno's was established in 1850 on the Boniface Link farm in the Northwest 1/4 of Section 8. In 1854 the remains of 26 persons were removed and placed in a new cemetery site down the road on land donated by Lawrence Link in the Northwest 1/4 of the Southwest 1/4 pf Section 8. The early parishioners had no church and Mass was held in various homes in the area.

Lawrence also donated the land the original church stood on. His son and daughter-in-law were the first couple married in the church.

The old cemetery site was planned to be a church site but was changed. The cemetery was also moved again.

There are cemetery records available 1850-date.
There is a chart of the cemetery and records available for public research. Contact St. Bruno's Cemetery Association
