## Jodi Lee Webster

Jodi Lee Webster (nee Playter), 43, of Eagle, went to Heaven Thursday, June 25, 2009. Her two beautiful daughters Amberlee and Alyssa, husband Craig and the rest of her wonderful family were with her at home holding her hand as she peacefully made the journey. An inspiration to everyone and always with a smile, Jodi was the best Mom

to her two beautiful daughters, Amberlee and Alyssa. Jodi loved spending time with her husband and best friend, Craig. Craig is so lucky Jodi said YES when he proposed marriage to her on her birthday in 1995. Each and

every day the Webster family's love for each other grew stronger and deeper. Jodi is also loved by her mother Joyce Playter of Waukesha, brothers Jaye (Marjie) and Jeffery of Waukesha, other nieces, nephews, extended family and many many friends and supporters. She was greeted into heaven by her Dad, Jim.

After graduating from WCTC, Jodi shared her warm smile for 20 years as a legal secretary at a large Milwaukee Law Firm. She volunteered at the kids' school, was active in Girl Scouts and was an advocate for cancer prevention, treatment and research.

Jodi loved playing in the backyard and snuggling on the couch with her two girls. In her "free time" she enjoyed reading, gardening, camping in the family RV, cooking and hanging out with her mom friends.

In summer, Jodi enjoyed swimming at Ottawa Lake, floating on her noodle and taking in the love that came from playing with her girls. When the fall colors peaked, Jodi enjoyed hiking deep into the woods and taking pictures of her precious girls. Snow shoveling and cold won't be missed by Jodi, but seeing her pretty smile and big hair under a warm winter hat will be missed. Spring always renewed her spirit, and next year's flowers and green grass will renew her spirit and love in all of us.

In Heaven as in life, Jodi's girls are still her first priority. Memorials are suggested to the Webster Girls' Education Fund. Memorials may be sent to any Citizens Bank of Mukwonago office or directly to the family.
