

Lucas A. Ostermeyer

November 08, 2000 - May 13, 2021

Lucas A. Ostermeyer

Lucas, age 20, a lifetime resident of Eagle, passed away on Thursday, May 13, 2021 in the Wisconsin Northwoods, where he loved to hunt and fish and enjoy nature. He was born to Jeff and Tess (Zacher) Ostermeyer in 2000 in Waukesha. Luke and his family were members of Minneiska Water Ski Team in Whitewater for about four years.

Luke attended Eagle Elementary and Palmyra-Eagle High School, enjoying baseball, track and football until it became time to go to work. He graduated high school early and began college at UW-Whitewater while a high school junior. At the same time, he balanced a position at Culvers in Mukwonago for 2-1/2 years. He continued to work other positions while in his first two years of college. His most recent position was at McDonalds in Minocqua where he worked late into the evenings.

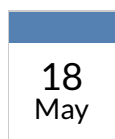

Luke enjoyed taking things apart and fixing them. He also enjoyed just about anything having to do with machinery or tools. He carved a bear out of a log with a chainsaw while a young teen. He played saxophone and taught himself how to play guitar. He was driven by a strong work-ethic and enjoyed pushing himself at weight-lifting. He was always there lending a hand whenever and wherever needed by anyone. He deeply cared for animals and his dogs brought him great joy. He was looking forward to flying again.

Luke looked forward to buying a home for himself one day and continued to save up for a down payment. God had another plan and has made a home for him in Heaven. Luke's spirit and light will continue to shine on in the hearts of his brother, Zack; his parents, Tess (Zacher) and Jeff Ostermeyer; his grandmother, Nancy (Sanders) Zacher, and other close relatives, friends and extended family and everyone who had the opportunity to know him.

Please join us for a Celebration of Luke's Life. Visitation will be held on Tuesday, May 18, at ELMBROOK CHURCH - Small Chapel, 777 S. Barker Rd., Brookfield, from 2:00 - 5:00 PM, with a Service from 5:00 - 6:00 PM.
