March 11, 2000 ~ April 18, 2022 (age 22)

Hannah L. Barron, 22, of Milwaukee, WI passed away unexpectedly on Monday, April 18, 2022.

Hannah was born on March 11, 2000 at Waukesha Memorial Hospital the daughter of Gary L. Galubinski and Lisabeth L. Barron. She attended Pewaukee High School and went on to the Bryant and Stratton College to pursue a career in Nursing. Hannah was blessed with two beautiful sons, Jax and Atlas. Her boys were the lights of her life and she did everything she could for them. She was at her best when spending time with her sons. Hannah was a very motivated person. She had an independent personality and set goals for herself and worked hard to attain them. She was not the type to ask others for help, she was very capable and able to handle things on her own. Hannah also had a connection with music. She enjoyed playing instruments during her youth, but also liked to listen to music. Even though her time on earth was short, Hannah lived a full life. She was deeply loved by her children, her parents, and her grandparents and she will be greatly missed by those she leaves behind.
