EAGLE HISTORICAL SOCIETY

This year we celebrated our 6th anniversary. Our first meeting was held July 15, 1989 on the back porch of the building (Partridge-Zipprich House) we now occupy. At that time it was the Alice Baker Memorial Public Library. We certainly appreciate the opportunity to have a home for the society and extend our thanks to all that helped to realize that dream!

We apologize for the fact that we do not have everything that has been donated on display. We are cataloging some and some we do not have the display space for at the moment. We will be rotating exhibits and eventually everything will be on view from time to time. You are cordially invited to return anytime.

We appreciate items from the near past up to the present as well as antiques. Once an event has happened--it is history. Among those are campaign flyers, new business openings, dedication programs, graduation programs, etc. along with artifacts, plat maps, history books on the area and family genealogies. Also very much appreciated are the photos of the people, homes, churches and buildings of the area's past. So please keep us in mind before you throw anything away. Thank you!

FUNDRAISERS

One of our first projects was selecting eight old pictures of Eagle and having them reproduced as postcards. We also reprinted an 1873 Town of Eagle plat map with an index, and an 1873/1914 map of the village.

Our next undertaking was tee shirts and sweatshirts imprinted with a scene of Eagle's past. The society set up at Kettle Moraine Days and had a float each year in the KMD parade. Riding on our floats have been the winners of our annual history report writing contest for Eagle Elementary School fourth graders.

In 1992 we held our first Christmas Tour of Homes along with a raffle. The Mukwonago Area Women's Club members were very helpful and graciously advised us on how to get started in this endeavor.

Another way to raise operating funds was tried in our White Elephant/Bake Sale and our most recent event was an Ice Cream Social/Band Concert this past July in the village park. It featured the Palmyra-Eagle Community Band directed by Ed Pierce.

We are in the process of ordering sweatshirts imprinted with another scene of old Eagle. These should be available during our December 9th tour of homes and raffle.

Our annual meeting and election of officers for the coming year will be held November 11th at the Partridge-Zipprich House.
