

Eagle Historical Society
Minutes of the March 10, 1990, Meeting

Those present included Louise Hedrick, Mabel Finney, Betty Isleb, Diane Thuemling, Charlene Ritchey, Riene Wells, Pat Wilton and Elaine Raduechel.

Diane reported that Tom Shropshire has agreed to donate a black & white drawing of an eagle which can be used as part of the Society's logo for stationery, brochures and membership cards. She also reported that 500 membership cards could be printed at the Mukwonago Chief for approximately \$20. The Society decided to proceed with printing membership cards and applications at the Chief, as part of an effort to increase membership.

Diane also explained that the Lions organization is preparing a "Welcome to Eagle" sign which would highlight civic groups. The sign will be placed along Hwy. NN. The Society has the opportunity to be one of the groups included. A decision is needed as to whether the new logo or simply the Society's name be used. The group decided further information as to cost and artwork requirements was needed. Diane will report further when she has the details.

Riene Wells submitted a summary of the costs involved in reproducing the 1873 town and village plat maps and 1914 village plat map. The rough costs were:

	<u>500</u>	<u>250</u>
1914 village	\$60.40	\$48.15
1873 village	35.95	24.00
Typesetting	24.00	24.00
Total	\$112.35	\$96.15

1873 town	\$226.50	\$232.00
Typesetting	20.00	20.00
Total	\$246.50	\$252.00

The printer, Heritage, will agree to bill us and with the right timing we will be able to spread out payment over a 60-day period. Riene indicated that a final decision by the next meeting would allow enough time to have the reproductions ready for Kettle Moraine Days, where the Society will have a booth.

Postcards for Kettle Moraine Days were also discussed with prices in the \$50-\$75 range for approximately 500 cards each of four different views. Diane would check for prices at the Chief in order to do some of our business locally and Riene would check with Heritage Printing.

Eagle Historical Society
Meeting Minutes

The question of sponsorship by another historical society was discussed with the general consensus of the group being to associate with the Genessee Heritage Society. Motion by Betty, second by Riene to ask the Genessee group to sponsor us. Sponsorship would involve an exchange of information and ideas on how their group got started and what course the Eagle Historical Society should take.

Charlene Ritchey raised the point that an inventory of items in the Society's possession be done so that they can be preserved, protected from loss and perhaps insured if an estimate of their value can be arrived at. Elaine Raduechel and Charlene agreed to work on this task.

Respectfully submitted,

Charlene Ritchey
Secretary
