## Key Players' Illness Ruins Panther Tourney Hopes; Lose Both Games

Palmyra 56 — Lake Mills 75  
A large crowd of Palmyra followers journeyed to Lake Mills last Friday night to watch the opening of the WIAA sub-district basketball tournament.

It was a better than average Lake Mills quintet that battered the locals 75-56. The host team outscrapped and outplayed Palmyra for three quarters as they hit with uncanny accuracy in their familiar confines. The Panthers shot well, 41.6, but simply did not get off enough shots, only 48 and made 20 for the entire game.

Lake Mills opened the game with a 22-11 first quarter lead and stretched it to 41-24 at half time as they shot .50, 16 goals in 32 attempts.

Palmyra scoring was spread out rather evenly with no one player enjoying a great degree of success. John Orchard scored four goals in the first half, Charles Hughlett got five points, Jerry Spiegelhoff nine counters and Marv Clemons two.

The L-Cats continued their blistering pace in the third stanza outscoring PHS 21-10. Palmyra rallied in the last quarter, garnering 22 points to Mills 13 but it wasn't enough to close the gap. Gary Adsit started to hit and pumped in 12 points and Orchard got 8 more to pace the Panther rally.

Four Palmyra players hit the double digits to provide balanced scoring. Orchard led with 16, Adsit 12, and Spiegelhoff and Hughlett 11 each. Tim Williams was unable to play due to illness.

College High 49 — Palmyra 41  
Palmyra and College High both losers in the opening round of the Lake Mills sub-district tourney, met for the third time this season but the Panthers couldn't make it three in a row over their rivals at the Preps edged them 49-41.

Ike Schaffer's crew opened up a 12-10 first stanza lead and held a 28-20 half time edge. Both clubs had difficulty finding the range. For Palmyra it was Phil Rouo with a tip in, John Orchard, seven points, Doug Congdon three, Jerry Spiegelhoff one, Marv Clemons four and Gary Adsit three.

In the second half the only Panther to hit was Orchard, he got 12 of Palmyra's 21 points. Despite his efforts, Orchard just couldn't make the ball go through the hoop. It became almost comical as the ball would roll along the rim and off. Perhaps an even colder shooter was Spiegelhoff. The hard working guard attempted 20 shots, lay-ups, mediums and long shots, but not one fell through for a goal.

The Panthers tried 73 shots, connected on 16 for 21.9, their coldest night of the season.

For the two nights, John Orchard led the Panther scoring with 35 points.

Hughlett reinjured his ankle Friday night and joined Williams on the disabled list for this game.

## AGEN-WILLIAMS NAMED SAFE DRIVERS OF MONTH

The safe driver of the month award has been awarded to Charlotte Agen for January and Tim Williams for February. An attempt to obtain public participation in the selection failed this month. A ballot box located at the bank obtained not a single selection. The selection of recipients has now been placed back in the hands of the student council.

Charlotte Agen

This week a Milwaukee Journal reporter visited the school and a feature article on the driver program is expected to appear shortly.

## NATIONAL 4-H CLUB WEEK MARCH 2-10

National 4-H Club Week has been set at March 2-10, according to Don Schirk, 4-H Club Agent. The 4-H Club work is the youth program of the extension service. This work is sponsored jointly by Jefferson county, the University of Wisconsin and U. S. Department of Agriculture.

Club work is open to any boy or girl between the ages of 10 and 20. Schirk says that anyone interested in joining a 4-H Club should contact the leader in their community or the county extension service in Jefferson.

Over 800 boys and girls are club members in Jefferson county. They learn skills through the Agricultural and Home Economics projects. Through conducting meetings, they learn to work together and various events are planned to provide recreation.

Take a good look at the work being done in your community by the local 4-H Club.

## BERNARD LUCHT DIES

Bernard C. Lucht, age 68, of Maple Grove, passed away suddenly at noon, Feb. 27. Funeral services will be held Monday at 2 p. m. from the Smith Funeral Home, Palmyra. Friends may call after 2 p. m. Sunday till time of service.

## WINS IN BARROW SHOW

John Kennedy, who entered a truckload of Tamworths in the Barrow Show held in the Chicago Amphitheatre February 21st and 22nd, took four ribbons and won \$75.00 in prize money. The dressed carcasses are to be judged on February 27th.

## CARD OF THANKS

We wish to thank our friends and neighbors for their kind expressions of sympathy, the beautiful floral tributes and sympathy cards sent us during our recent bereavement.

Mr. and Mrs. Arnold Nowack

## THANK YOU

We thank all our friends and relatives for the lovely gifts, flowers and cards received for our golden wedding. Thanks to all those who helped to make it a happy occasion.

Carl and Thora Hooper

## THANK YOU

I would like to sincerely thank everyone who helped me in any way at the time of my accident and the many kindnesses shown me while in the hospital and since my return home.

Elise Dubsky

## THANK YOU

I wish to thank my friends, classmates, teachers, relatives, and neighbors for the many gifts, cards, and visits since my tonsillectomy and a special thank you to Dr. Handeyside, the nurses and Mrs. Treloar.

Mary Dirkse

## NOTICE

The Band and Choir Mothers will meet Tuesday evening, March 5, at the home of Mrs. Don Thayer.

## Red Cross Quota Is Set At \$550

Palmyra Branch of the American Red Cross has a 1957 quota of \$550, the same as in 1956. The volunteer solicitors will begin contacting all village and township residents on Friday, March 1, when the membership drive is scheduled to begin. As a member you are urged to attend your chapter's annual meeting at Fort Atkinson and vote in the election of its officers.

Local solicitors are Fred Kellu, Bill Jolliffe, Dan Poulson, Miss Helen Turner, Mmes. Ralph Stark, Douglas Congdon, Ralph Grant, Melvin Mason, Harvey Brewin, D. R. Jones, F. Keithley, C. Oehrke, Elmer Mason, W. Hogle, R. Nielsen, C. Schaefer, A. Kaepfel, Ervin Jordan, S. Gerlach, A. Dirkse and H. Fagerdahl.

Remember, any community resident may borrow from the local Red Cross "loan closet" in case of accident or illness, when ordinary home facilities may be inadequate to properly care for the patient. At present the walker is in use, two of the five pair of crutches, two of the four hospital beds, and four wheel chairs. Should all local equipment be in use, and a need arises, it will be secured elsewhere for you.

Smith's Furniture Store very graciously store the larger equipment free of charge, and the local Red Cross committee is most grateful. The crutches and walker are kept at the home of Mrs. Arthur Tutton, local chairman. Please contact her in case of need.

## ROAD COMMISSIONER SPEAKS TO KIWANIS

Phil Banaszak, county highway commissioner was guest speaker at the last Kiwanis club meeting. Banaszak told in detail of the various activities of the highway department.

Principal Lowell Paffenroth was officially welcomed as a new member.

Following the meeting a special meeting of the board of directors was held. Plans for a Kiwanis Luncheon Night were formulated.

A statement of policy published in the weekly news letter verified the fact that Kiwanians as individuals are interested in civic affairs but as a group does not take sides or lend influence to any individual candidates.

## CARS CRASH

Russell Wickler, Jr., escaped with minor injuries Saturday night when his car collided with one driven by Everett Morgan and then hit a tree in front of the residence of Mrs. Nina Stacey.

Miss Myra Isaacsen had been caring for the Morgan children and Mr. Morgan was driving her home. It was reported that the Morgan car was struck as it made a left turn at the corner of the Stacey residence. Occupants of both cars received bruises and were shaken up.

## FIRST AID CLASS

Mrs. Arthur Tutton, local Red Cross chairman, has announced that arrangements have been made for a Red Cross First Aid Class which will meet every Tuesday evening from 7-9 p. m., beginning March 5th and continuing for nine weeks. The class will be held in the Library club room.

Mrs. John Wright of Eagle Lake will be the instructor. Anyone over 15 years of age may enroll, but the number in a class is limited so if interested enroll soon with either Mrs. Arthur Tutton or Mrs. Richard Kincaid. Men are invited to enroll in the class if interested.

An evening of fine entertainment is awaiting you Friday evening, March 1, at the high school gym, when the Methodist Young Adults present, "A Night of Chuckles." Two humorous one-act plays will be presented and some highly entertaining musical entertainment in keeping with the approaching St. Patrick's day.

Ralph Stark reports that the Legion Post has \$250.00 set aside to assist in the construction of the beach bath house at the lake. The village is asking for bids on the building now. The Legion contribution is the profits from the Round-up held last summer.

## NOTICE OF VILLAGE CAUCUS

The Village Caucus will be held on March 6, 1957 at 8 P. M. at the Village Hall to nominate candidates for the following. Village President, Three Village Trustees, Village Assessor, Justice of the Peace, Village Supervisor and Village Constable. 2-21-2t

## Former Resident Dies In Waukesha

Miss Alta G. Couey  
Miss Alta G. Couey, 78, died at the Waukesha Infirmary, Friday afternoon, February 22nd, after an illness of five years. She had been a resident of Waukesha for the past fifteen years, moving there in 1942 from Palmyra. While here Miss Couey lived with her mother and brother, Clarence, on what was known as the Dimick Marsh farm on Hwy. 90. They resided there for 13 years.

She was born April 2, 1878, in Excelsior, Wis., the daughter of William and Adelle Rounds Couey. She was a member of the Seventh Day Adventist church of Waukesha.

Survivors are one sister, Mrs. Amy Collins, Excelsior; two brothers, Frank, Seattle, Washington; and Clarence, Waukesha, with whom Miss Couey made her home and kept house before her illness, nieces and nephews. Her parents and four brothers preceded her in death.

Funeral services were held at the Smith Funeral Home on Monday, February 25th at 2 p. m., with Elder Albert Johnson, Milton Junction, officiating. Burial was in Hillside cemetery, Palmyra.

Pallbearers were Floyd Holsinger, Roy Oleson, Duane Couey, Robert Couey, Charles Bickle and Lavon Collins.

Mrs. Roy Oleson assisted with the flowers.

## WORLD DAY OF PRAYER SERVICE AT LITTLE PRAIRIE

On Friday, March 8 at 2 p. m. at the Little Prairie Church women from the eight Methodist Churches of this vicinity will unite in the Annual World Day of Prayer Service. Mrs. Lloyd Pett, president of the Little Prairie Woman's Society of Christian Service is general chairman for the program and plans.

The theme for this year's service is "Who Shall Separate Us . . . ?" Romans 8:35 and remembers especially all those thousands of refugees who are separated from their families, friends and homeland in so many parts of the world.

Last year, 1956, such services of intercession and self-commitment were held in 143 countries during the twenty-four hours of this day. The thank-offerings received go to help certain needy projects for underprivileged peoples; Work with the Migrants and Indians, in this country, and providing Christian Literature and Schools for training Christian Workers overseas.

There will be special music and participation by members of all the co-operating churches, Pleasant Valley and Sullivan, Hebron and Siloam, La Grange and Adams, Palmyra and Little Prairie.

A Fellowship Tea and social hour will follow the devotional service with the Little Prairie women as hostesses.

An invitation is extended to all the women of this vicinity to attend. Palmyra women please call Mrs. Harrison Cady or Mrs. Leo Poulson regarding transportation. Cars will be available for all.

## STATE OFFICER IS O. E. S. VISITOR

About 75 members and guests attended the regular meeting of Rob Morris Chapter No. 10 OES Tuesday evening for the official visit of Mrs. Gladys Motz, Grand Ruth of the Grand Chapter OES in Wisconsin. A school of instruction was held in the afternoon which all of the officers attended and visitors from White-water and Fort Atkinson chapters.

A six o'clock dinner was held at the T & O restaurant which was attended by 20 officers, members and visitors.

At the evening meeting Mrs. Dean Harnden and Mrs. Gordon Redding were initiated into the chapter. Members attended from Eagle, Fort Atkinson and White-water. Mrs. Motz home chapter, Hartland, was represented by the Worthy Matron and Patron and Mrs. Motz's husband.

A delicious lunch of assorted cookies, ice cream and coffee was served by Mrs. Ferd Tulpo and her committee. The tables were attractively decorated with February holiday motifs.

## NOTICE OF TOWN CAUCUS

Notice is hereby given that a town caucus for the Town of Palmyra will be held at the Town Hall on Monday the 4th day of March 1957 at 2 p. m., for the purpose of placing in nomination candidates for the offices of the said town to be voted for at the ensuing election, to be held April 2, 1957.

# NEWS ABOUT PALMYRA

## Kathleen Begolke Wed To Billie White

At a 4 o'clock ceremony Saturday afternoon, February 16, Kathleen Ann Begolke, Whitewater, daughter of Mr. and Mrs. Myron Rosholt, Racine, became the bride of Billie Wayne White, son of Mr. and Mrs. Woodrow White, Palmyra. The Rev. Woodrow White, father of the groom, assisted by Rev. Floyd Alley of Grace Baptist Church, Whitewater, performed the double ring ceremony in the groom's home. Vases of blue and white flowers decorated the archway.

The bride, given in marriage by her father, wore a gown of white chantilly lace and net over satin styled with a high collar, and buttoned to below waistline in back. She wore a matching lace pill box hat attached to her veil and carried a white orchid on a white Bible.

Miss Betty Robbins, Whitewater, was maid of honor. She wore a blue lace and net dress styled with a short bolero and a matching headpiece. She carried a colonial bouquet of yellow and pink rosebuds and white carnations. Vickie White, Port Atkinson, cousin of the groom, was flower girl.

Delmar Peiper, Whitewater, served as best man and Johnnie Gross, Fort Atkinson, was usher.

Mrs. Rosholt wore a navy blue crepe dress with black accessories. The groom's mother chose a light blue lace dress with white accessories. Both had corsages of pink camellias.

The tables were decorated with blue and white flowers for the reception and dinner held following the ceremony in the White home.

The couple took a wedding trip to Southern Indiana and Illinois, and will live at the groom's home for a short time, later moving to Northern Wisconsin. The bride, a 1956 graduate of Whitewater High School, was employed as a bookkeeper at Century Sales & Service. The groom, a 1955 graduate of Palmyra High School, is a salesman for Kirby Sweepers.

A group of 60 neighbors and friends gathered at the Woodrow Thayer home at Corner Grove on Saturday evening, February 16, for a farewell party for the Robert Neuman family. An enjoyable evening was spent in card playing by the adults and games for the children. A gift from the group was presented by Mr. Con Oleson.

A delicious lunch brought the evening's festivities to a close. Mr. and Mrs. Neuman and family are moving to DeKalb, Ill. They resided on the former Clifford Thayer farm for the past ten years.

Mr. and Mrs. Woodrow Thayer and family spent Sunday with her parents, Mr. and Mrs. Otto Schultz, Whitewater, who were observing their 47th wedding anniversary.

Mrs. Ken Skidmore and daughter Cynthia are leaving March 1 for California to visit relatives in San Francisco and Los Angeles. They will be gone about 16 days.

Mrs. Ralph Isaacsen entertained ten little girls Sunday afternoon at a party in honor of her daughter Carol's 10th birthday. Games and a delicious lunch were enjoyed by the guests. Many nice gifts were received by the guest of honor.

Mr. and Mrs. Stan Gerlach returned Tuesday from a two weeks trip to Florida.

Sunday dinner guests of Mr. and Mrs. Carl Hooper were Mrs. Anna Austin and Mr. and Mrs. Clarence Hein and Dick of Milwaukee and the Russell Rouo family, Palmyra.

Mr. and Mrs. Robert L. Maier and son James were guests of Mr. and Mrs. George D. Nichols on Sunday.

Robert Whitbeck, Jr., is spending a leave from the Marine Corps with his father and brother. He recently graduated from communications school in San Diego, the second highest in his class. On Friday he will leave for Camp Lejeune, North Carolina to work in communications.

Larry Tutton, son of Mr. and Mrs. Arnold Tutton, has enlisted in the Marine Corps and will leave this Thursday for San Diego to begin boot training.

Mr. and Mrs. Curtis Weaver and Mrs. Rose Weaver of Elkhorn and Mr. and Mrs. Alfred Foote were among those who attended the open house in honor of Mr. and Mrs. Carl Hooper's 50th wedding anniversary at the Russell Rouo home on Sunday.

Mrs. Elmer Thayer returned home from the Fort Atkinson hospital Wednesday afternoon.

# NEWS OF INTEREST TO FARMERS

## Co. Agent's Notes

I took over the position of Jefferson County Agent on February 1. Many of the Extension projects and programs that I work on will be those set up and worked on by my predecessor, Bill Rogan. I spent the past nine and a half years in Southwestern Wisconsin as County Agent in Vernon County, with Viroua as the county seat.

One of my first problems is to get acquainted in the county. I hope to meet many of you people in the near future at meetings and through farm visits.

The 7th Annual Spring Market Hog Show will be held at the Dane County Fairgrounds on February 28 to March 2. More than 700 entries are expected, representing all swine breeds including crossbreds. Thursday, February 28 is entry day. Friday, March 1 is grading and judging day for all junior division hogs, and Saturday, open division hogs will be judged. Saturday's program also includes a special women's program at 11:00 a. m. and a free pork barbecue will follow this program. I hope to meet some of you hog breeders at this show.

A meeting on Strawberries will be held at the Jefferson High school agricultural room on Wednesday, March 6, starting at 8 p. m. George Klingbeil, College of Agriculture Fruit Specialist, will discuss strawberry varieties, diseases, and management. Anyone interested in strawberries is urged to attend this meeting.

A poultry and egg show for Jefferson County will be held on Friday, March 8 at Bender's Hall in Jefferson, starting at 8 p. m. A program on poultry management, outlook, production of quality eggs, and facts about the broiler industry should provide an interesting evening. In addition, door prizes will be given out, and lunch will be served. Poultry raisers, mark this date on your calendar and plan to attend.

'57 SOIL BANK ACREAGE RESERVE PROGRAMS GET UNDER WAY

Wisconsin has received a total allocation of \$9,620,300 for payments to farmers participating in the 1957 Soil Bank's Acreage Reserve programs. The program commodities, John Dale, Chairman of the State Agricultural Stabilization and Conservation Committee, announced today.

The allocation includes the following amounts for payments in connection with particular commodities: Corn \$9,089,000; tobacco, type 54, \$74,800; tobacco, type 55, \$204,500; and wheat, \$252,000.

Chairman Dale said that County ASC Committees are not expected to be ready to accept 1957 Acreage Reserve agreements for spring crops before 7 id-January. Crops for which programs are available include corn, tobacco, and spring wheat. Naturally, farmers have already pledged more than 10.5 million acres of 1957-crop winter wheat.

Except that the acreage for any commodity placed in the Acreage Reserve for a farm shall not exceed the farm allotment for the commodity, the maximum acreages that may be originally entered for a farm are: Wheat, 90 acres or 50 per cent of the farm allotment, whichever is larger; corn, 20 acres or 30 per cent of the allotment, whichever is larger; type 54 or 55 tobacco, 3 acres or 30 per cent of the allotment, whichever is larger. There will be no minimum acreage limitations on the amount of land that may be entered in the program except those already in effect for 1957 wheat.

Acreage reserve agreements will be accepted on a "first come, first served" basis to the extent county funds are available, the Chairman stated. Farmers wishing to participate above maximum acreage limits for a particular crop must indicate this in their original agreement. Additional acres will be accepted to the extent funds permit.

The deadline for signing 1957 Acreage Reserve agreements will be March 1 for tobacco and March 8 for corn and spring wheat.

OAK HILL HUSTLERS 4-H

The Oak Hill Hustlers 4-H club held their meeting on February 13, at the home of Mr. and Mrs. Arthur Thomas. Our club has five new members which makes a total of 35 members. The new members are as follows: Dennis Grimes, Kenneth Zettelmeir, Jack Wickland, Loran Zimmerman and Norman Schmidt.

Our club was asked to join together with the Palmyra Livewires and the FFA in the dairy section at the county fair. It was decided that we should go alone. The Talent Contest was discussed.

Nothing else was said about it. Dick Lundt, Bill Krejci and David Meech were put on a committee to find a meeting place for the club.

A delicious lunch was served. Sherry Hack, Reporter

## Rabbits and Mice Develop Appetite For Fruit Trees

Rabbits and rodents get hungry this time of year—especially for the bark on young fruit trees. Horticulturists at the University of Wisconsin outline three ways to protect your prize fruit trees. You can cut down rodent population by poisoning or trapping. You can use chemical repellents. Of you can use mechanical means to protect the trees.

Poison mice with bait treated with zinc phosphide. Rabbits can be trapped with box traps.

Several chemical repellents are available that can be painted or sprayed on tree trunks. One of the Milwaukee parks has had good results with the following mixture: Dissolve four or five pounds of

rosin in one gallon ethyl alcohol and paint the mixture on tree trunks. Best results, however, come by applying in fall.

One quarter inch mesh hardware cloth is a satisfactory protector from mice and rabbits. Put an inch or two below ground level and 18 inches high. Do not let the wires girdle the tree. Aluminum mesh wrappers are also effective.

## Ag Dept. Names 1957 Advisory Committees

Citizens from every walk of life and all areas of the state share in advising the Wisconsin Department of Agriculture on policy formation and procedure. Their help comes through the form of Advisory Committees, of which the Department has seven.

Advisory Committees for 1957 are Animal Health, Cheddar Cheese Grading, Chicken Random Sample, Junior Fair Board, Potato Rot Nematode, Seed and Weed, and Veterinary.

All the Committees are authorized annually by the State Board of Agriculture under Wisconsin Statutes, and appointments to the Committees are made by D. N. McDowell, Director, for one year terms.

All actions of the Advisory Committees are in the form of recommendations to the Department for its consideration as it carries out its assigned statutory functions. Members of the Committees are selected who have a rich background of experience and an awareness and appreciation of the over-all needs of agriculture.

College of Agriculture Specialists and other State Agency representatives are generally asked to meet with the Committees as Consultants in their particular area of specialization.

From this area, Parker Dow, La Grange, is a member of the Animal Health Advisory Committee.

The members own some 3,200 sows. Feeder pig raising is becoming increasingly important in Wisconsin as a source of supplementary farm income.

Members in the cooperative are from Door, Kawaunee, Brown, Outagamie, Sheboygan, Manitowoc, Oconto, Calumet and Marinette counties.

If hunters saved the shells they waste "skybusting" at ducks that they don't have a chance to bag they could pay higher license fees without increasing hunting costs, a waterfowl hunter advises the Conservation Department. He adds that the restraint would improve duck hunting and leave less shot in the marshes to serve as duck poison.

## Feeder Pig Coop Names Officers

Four hundred twenty-six farmers who raise feeder pigs have organized the Wisconsin Feeder Pig Market cooperative to gather and ship the younger porkers to hog fattening areas in this and other cornbelt states.

The members met at Denmark last week to elect a permanent board of directors and adopt by-laws.

Carl Piek, Chilton, was named president. Other officers are Hugo LaCroix, Newton, vice-president; Paul Schink, DePere, treasurer; and Fulton Smith, Manitowoc, secretary. Other directors are Arthur Zahn, Chilton; Everett Erb, Kewaunee; and William Tubbs, Seymour.

### "Carousel" To Be Presented At WSC

"Carousel," the Whitewater College Players second production of the year, will be presented in the college auditorium on March 3, 4, 5 and 7 at 8 p. m. This production is the Whitewater College Players contribution to International Theatre Month, which takes place each year when theatres throughout America focus their spotlights on plays whose universal or timely themes bring home to audiences the United Nations aim of world peace through international understanding.

"Carousel," an American musical play by Rodgers and Hammerstein, is based on "Liliom," a drama by Ferenc Molnar, a Hungarian author.

The original play was laid in Budapest, but "Carousel" takes place in New England. The successful transition of the play from one nation to another demonstrates the universality of the theme as well as the artistry of the composers.

A world-wide movement, ITM is sponsored in this country by the United States National Commission for UNESCO of the Department of State, the American Educational Theatre association and the National Theatre Arts council.

The aim of ITM is to promote international understanding through drama. The movement was inaugurated in 1950 to contribute to the work of UNESCO, which encourages cultural activities to serve world peace through mutual understanding. Many hundreds of theatres have participated annually in ITM by presenting a dramatic play.

Theatres participating in ITM distribute and display United Nations and UNESCO material during the run of the production to inform theatre-goers of the meaning of these organizations and their contributions to understanding through culture, educational and scientific services and activities throughout the world.

ITM states that art is the universal bridge across which all nations hope to reach one another. It is with this thought in mind that the Whitewater College

Whitewater News

Iva I. Hunt

Miss Iva Irene Hunt, 78, a lifetime resident of Whitewater and vicinity died Friday night, February 22, in the Harley Shadel home at Milton Junction. She had been in failing health the past two years.

The daughter of La Grange pioneers, William and Marian Howard Hunt, she was born in Lima Township May 18, 1878, moving to Whitewater at the age of eighteen. She had lived the past 60 years in her home at 232 South Whiton street.

Surviving are twelve nieces and nephews. Her four brothers, Charles, Will, Fred and Frank preceded her in death.

Funeral services were held at 2 p. m. Monday, February 25 in the Skindingsrude and Lein Funeral Home, the Rev. Cecil Dawson, Milton Junction, officiating. Burial was in Hillside Cemetery. Pallbearers were Mr. H. Freeman, Mr. O. Bissett, Mr. H. Berdan, Mr. E. Kohlmetz and Mr. H. Lowe.

HOSPITALIZED

Mrs. Ben Woodward, Route 3, has recently entered the Methodist Hospital, Madison.

Carol Elphick, daughter of Mr. and Mrs. Merrill Elphick, is a patient at University Hospital, Madison. She is being treated for sinus trouble. Her address is University Hospitals, Peds. 2, Madison, Wis.

Elmer Wolfe is a patient at the Veterans' Hospital at Wood, Wis.

Mrs. Donald Anderson is a patient in St. Mary's hospital, Madison, where she underwent surgery on Wednesday.

Five fires have been fought in the past seven days. A serious one occurred on Tuesday night at 8:30 when the 80 foot barn on the Melverd Anderson farm burned to the ground, a total loss. A shed and a pump shelter were also destroyed. It was not determined how it started but the structure burned swiftly in a high wind from the north.

Chickens and ducks were lost but some calves and heifers were saved. The barn was empty of hay and grain. Firemen remained at the scene, on highway 59 south of the city, for several hours.

At 7 a. m. Wednesday a furnace caused heavy smoke damage at 436 E. Milwaukee street.

Last Thursday afternoon fire spread to a lumber pile from a rubbish burner at the Eales residence on Newcomb street. Adjacent out-buildings were saved.

An upstairs bedroom in the William Ryan farm home was badly damaged by smoke and water Friday night. The farm, occupied by the Morris Leach family, is seven miles south of Whitewater off County Trunk P.

Assistant Fire Chief Lowell Lein said the blaze started in a mattress in the bedroom. An extension cord was draped across the bed to provide electricity for a study lamp, Lein said.

The bed and mattress were destroyed.

1957 Alice Contest To Start Soon

Entries from Wisconsin girls vying for the chance of becoming the 1957 Alice in Dairyland will be accepted beginning March 15, announces Wayne Wendorf of the Wisconsin Department of Agriculture.

This year's competition will again be called the "Alice in Dairyland Princess Contest", he pointed out because four entrants will be selected as Alice Princesses to serve during the summer months.

Every entrant has three wonderful opportunities for which to compete.

1. She may become one of four "Alice Princesses" selected at the State Contest in Beaver Dam June 1, all of whom are to be employed by the Department during the months of June, July and August for promotion activities.

2. She may be chosen as Wisconsin's candidate in the American Dairy Princess Contest.

3. She may be selected as the 1957 Alice in Dairyland at the Wisconsin State Fair and become a full time employee of the Department for an exciting year of travel and meeting famous people as she promotes Wisconsin's farm products.

To qualify for the contest a girl must be single, at least 18 years of age and must not have reached her 25th birthday as of March 15, 1957. As of that date, entrants must also have been a resident of Wisconsin for at least one year and be available, if selected as the 1957 Alice in Dairyland, to devote one complete year to her full time duties as "Alice in Dairyland."

Entry blanks, Wendorf said, will be available through local dairy plants, newspapers, radio and television stations, county agents, and the contest headquarters, the Wisconsin Department of Agriculture, State Capitol, Madison, Wisconsin.

# THE NEWS IN PICTURES

**HE SAYS IT'LL FLY**—Jim West sits in a partially completed flying contraption in his back yard at Hapeville, Ga. Called the "Paraplane," the machine will look like a flying saucer and will be lifted by a six-foot propeller at the top and a pair of helium-filled wings. These will cover the frame like a parachute. West expects it to fly straight up and then go in any direction at 35-40 miles an hour. He says he will commute to work in it.

**REACHING FOR THE SUN**—These shadowy figures, silhouetted against the bright windows, aren't prisoners looking to escape, but glaziers fitting glass panes. They're working on the uppermost deck of the Swedish-American luxury liner Gripsholm. The 23,000-ton ship is being readied in Genoa, Italy, for its maiden voyage to the United States next summer.

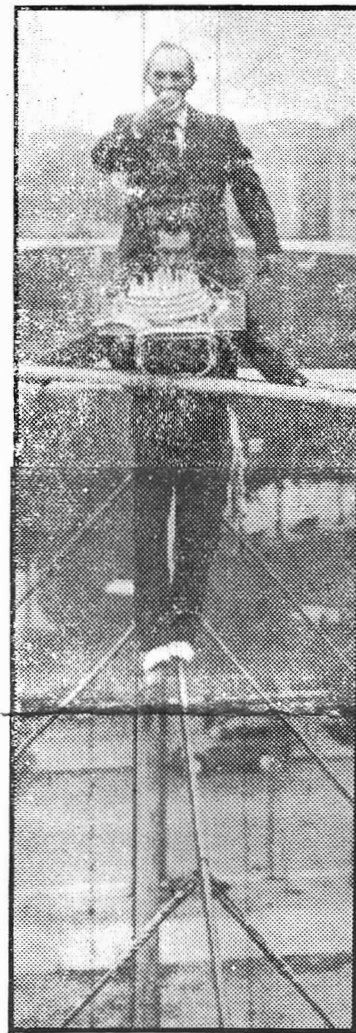

**GOOD HEAD**—Three youngsters put their heads together with a giant papier-mache funny man in Viareggio, Italy. The huge head will be used in the town's pre-Lenten carnival, which will be held preceding Ash Wednesday, March 6.

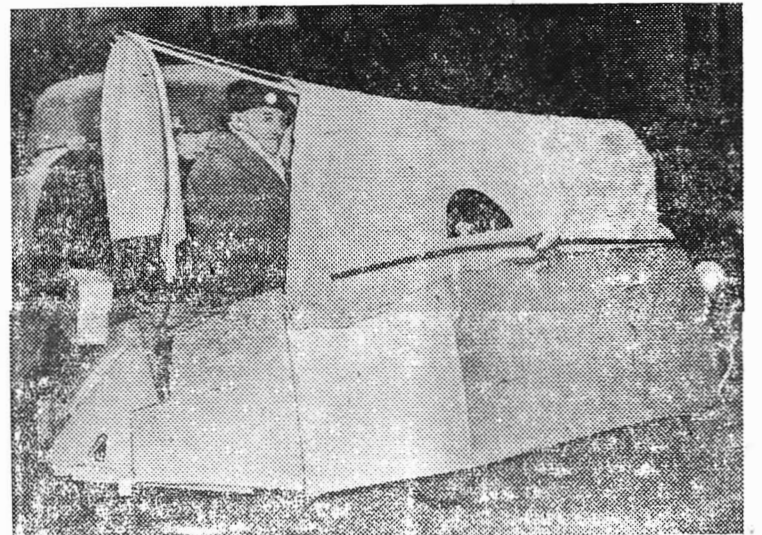

**NOT-SO-MYSTERIOUS EAST**—The smiles on these children's faces would be understood in any language. The youngsters, in Bangkok, Thailand, are sampling American milk which has been "disassembled" in the United States and then shipped to the Far Eastern country where the solids and fats are recombined with water to make whole milk.

**CHIMPLY DIVINE**—Rompin' on the ramp at a London, England, fashion show, "Candy," model chimpanzee model, displays a new fashion at the Cyril Lord House Fashion Show. "Candy" obviously goes ape over frilly shindigs like this and was monkeying around to the restrained delight (?) of honest-to-goodness model Puch Bunting.

**AERIAL FEAST**—Living it "up" on his 64th birthday, French aerialist "Adolphe" samples his birthday cake astride the shoulders of a tightrope walker—75 feet above the streets of Paris. Adolphe, a Yugoslav billed as Europe's oldest tightrope walker, has been a high-wire performer since he was six.

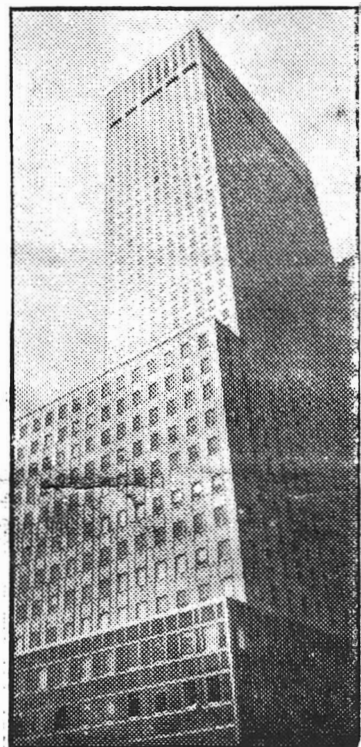

**AIR CONDITIONING STANDARD**—Eighty-four-year-old Tom William Thurban sits in his "Thurbanette," an odd-looking car he built mostly out of scrap motorcycle parts. Thurban of Ewell, England, claims the car can reach a top speed of 80 miles an hour, despite its looks. And, more attractive still, it gets 45 miles to the gallon.

**PLOWING IN THE PARKING LOT**—This striking contrast between the ultramodern apartment house and the age-old plowman behind his horses presents itself in West Berlin, Germany. The "city farmer" is actually a gardener who took advantage of the warm weather to turn up the soil for spring planting in the apartment house yard.

**TO THE REAR—FLY!**—Well, he ought to be able to do it. This soldier cruises over Camp Kilmer, N.J., standing on an Army Aerocycle which uses helicopter-type lifting rotors. Initial tests of the new machine indicate that operators with no previous experience can become proficient after 20 minutes' instruction.

**SCENE - STEELER**—Sparkling new addition to the Manhattan skyline is this 45-story Socony Mobil Building, first and world's largest stainless steel skyscraper. Recently dedicated, the building has a "cornersteel," in which is sealed a time capsule, holding messages from President Eisenhower, Governor Harriman and Mayor Wagner, as well as copies of New York newspapers and documents detailing construction of the unusual building.

**HOUSE TREE**—Charles Heitzler of Valley Stream, L.I., N.Y., likes this tree so well that he couldn't bear to part with it when he built a new wing on his home. The two-foot trunk of the towering tree comes right through the roof of the addition.

**ONWARD AND UPWARD WITH THE SOVIET**—Along with a lot of other things, the Russians seem to have invented a truck which converts automatically into a tractor-trailer. Buckled by a too-heavy load, this Russian-built vehicle rests awkwardly in a Helsinki, Finland, street.

# Give Stuffed Peppers Interesting Flavor

BY DOROTHY MADDOX

EVERYBODY enjoys stuffed peppers. They will enjoy them even more if you add to the stuffing a few shakes of aromatic bit- ters. They add a pleasant and interesting extra flavor.

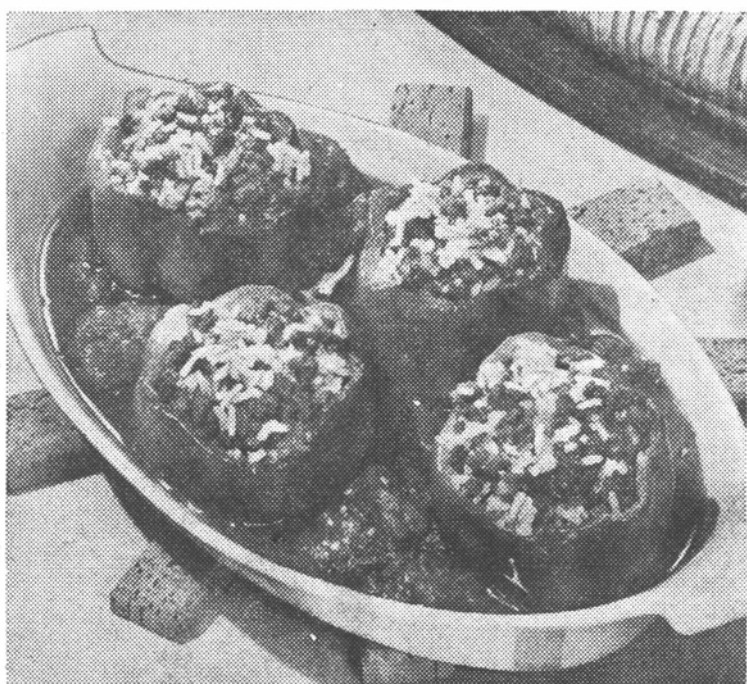

### Stuffed Peppers Trinidad

Four green peppers, 2 table- spoons butter or margarine, 3 tablespoons minced onion, 1/2 pound ground beef, 1 cup cooked rice, 1/2 teaspoon salt, 1/8 teaspoon paprika, 1 teaspoon aromatic bit- ters, 1 No. 3 can tomatoes.

Put peppers in boiling water, cook until just tender. Drain. Melt butter or margarine, saute onions. Add ground beef and saute until well browned. Add cooked rice, salt, paprika and aromatic bitters.

Cut tops off peppers, remove seeds. Fill pepper cases with rice and meat mixture. Place peppers in casserole, pour toma- toes around the cases. Place cas- serole in medium oven, and bake for 15 to 25 minutes.

Over try a little powdered gin-

### Bible Comment:

## Comfort We Get In Time of Trial Was Denied Christ

JESUS went into the Garden of Gethsemane to pray as He approached his impending fate. With Him He had taken James, Peter and John, the strong and impulsive disciples who were most capable of trust. He had told them to sit in the garden while He went further on to pray.

He told them of His great sor- row and of His impending death, and asked them to remain and watch with Him.

It was the human Christ, crav- ing human sympathy and human companionship in the hour of His great trial. But there was that in His soul which no one could share. So He went forward a little and poured out an agoniz- ing petition that the cup of suf- fering and final agony might pass from Him.

He came back to His disciples and found them asleep. He said to Peter, "What, could ye not watch with Me one hour?" He prayed a second time, returned to the three and again they were sleeping. In His deep loneliness, Christ returned once more to prayer and found that courage and confidence had come back to Him.

There was just a gentle reproach for his disciples now: "Arise, let us be going; behold, he is at hand that betrayeth Me."

Cannot hard-pressed souls take great comfort from this story? Often we reproach ourselves that our flesh is weak. We feel our weakness. We are conscious of our great cowardice in a trying period of life. We wonder that we have not the strength of will and the courage to enable us to triumph over every danger, to meet willingly every sacrifice.

But Christ Himself, with all the purity, beauty and strength of His earthly life, was so an- guished that it was only through the thrice-repeated prayer that He was able to find the courage to meet His fate.

Experts estimate that 75 mil- lion to 100 million persons would die in a nuclear attack on the United States, if atomic shelters are not provided.

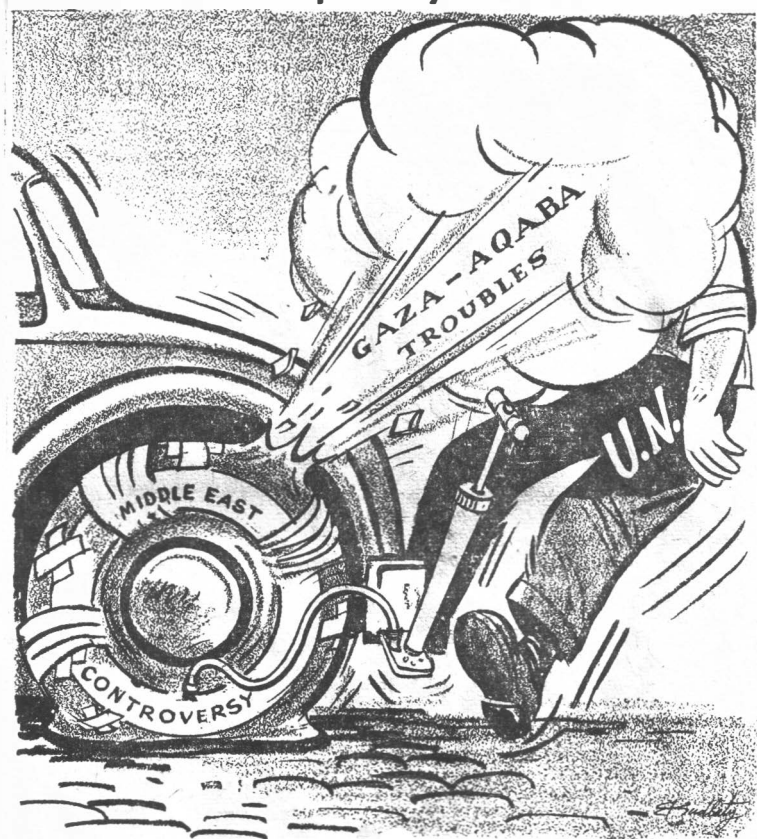

British defense expenditure for the current fiscal year is budgeted at 1,600,000,000 pounds (\$4,480, 000,000), or 8.2 per cent of the gross national product.

West Germany, France, Italy, Belgium, the Netherlands, and Luxembourg will abolish for a period tariff barriers among themselves and establish a tariff for goods outside this market area.

Portions of Emperor Hirohito's palace in Tokyo, damaged by U.S. bombing during World War II, will be repaired and renovated for the comfort of visiting foreign dignitaries.

## Easter Seals Have New Look

A new look in Easter Seals will be introduced when the 1957 messengers for crippled children and adults go into the mail in Wisconsin on March 15th.

A sheet of assorted Seals consisting of two sizes and designs as well as a "We Have Given" sticker for contributors to display are included in the appealing new combination.

The sticker, which appears in the center of the sheet is a duplicate of the billboard and other posters which will be used in promoting the campaign. It shows an inviting boy with a crutch asking contributors to "Give—Easter Seals."

Contributors are urged to help promote the campaign by displaying the sticker on windows or doors when they have mailed their Easter Seal contributions. Larger size Seals are specially for use as stickers on packages and gifts.

Highly stylized with floral motif, the 1957 Seals are in tones of blue and red. They were designed by Earl Gross of the Stevens Gross Studios, Chicago.

Among the services financed by the funds raised are purchases of braces and special equipment; Camp Wawbeek, Wisconsin Dells; and the Cerebral Palsy Treatment Center and Easter Seal Home-craft Shop in Milwaukee.
