

THE EAGLE QUILL

VOLUME XXXIII

EAGLE, WAUKESHA COUNTY, WISCONSIN, FRIDAY, AUGUST 24, 1923

NUMBER 11

IN AND ABOUT TOWN

At Eagle Opera House, Sunday, Aug. 26, Herbert Rawlinson in a lively crook melodrama. Admission 10 and 22 cents.

Mr. and Mrs. F. B. Thomas and Mr. and Mrs. Jerry Angell of California left Wednesday morning by auto for a visit with Mrs. William Cory at Austin, Minn.

Miss Hattie Bollman, who has been a visitor at the W. A. Stewart home returned to Chicago Wednesday. Mrs. Stewart accompanied her as far as Milwaukee.

Mr. and Mrs. Forest Reed and Mr. and Mrs. W. C. Olson and son, Beryl, are spending a few days camping at Peters Lake. From there Mr. and Mrs. Olson and Beryl will go to Madison, the Dells and Black Earth for a visit.

E. J. Whettam came from California Wednesday.

There will be a band concert in the village park Saturday evening.

Mr. Henry Stute is numbered among the sick.

On Friday morning Henry A. Thornton and family of Waukesha narrowly escaped a serious accident at the depot crossing in this village. Henry served as chauffeur and watched an engine on the side track when the early morning passenger train came in from the west, and he avoided a collision by quickly turning in toward the hotel building.

On Saturday morning at the same place John Tuohy waited for the Elkhorn train to back off from the same

crossing and started to cross the track when the early passenger train picked him up and threw the auto up to the depot. John sustained a severe cut in the face and the rear of the auto was crushed.

Early Monday morning a Milwaukee party in a new Oakland sedan were bound for Helenville and Highway 59 and when near the county line parts of the steering gear broke and the auto tipped over into the creek. There were five people in the car, but none were hurt. The auto was taken to the garage for repairs.

William Markham entertained Mr. and Mrs. A. M. Berge and daughter, Mildred VanKirk of Waukesha, and Mr. and Mrs. Orville Ellarson and sons, Roy and Floyd of Muskego.

J. M. Partridge writes from Daytona Beach, Florida, "A fine place for water."

Last Tuesday the young people of Eagle Springs Lake planned a picnic at Lulu lake and started from Tuohy's landing in row boats. After they had gone a distance Frank Mich attempted to shoot with his new revolver but as he heard no discharge he was going to place the revolver in his pocket. Instead of locking the automatic trigger he pulled it and Norman Raaske who was rowing the boat and sitting in front of him received the bullet, a thirty-two caliber in his back under the left shoulder. At first Mr. Raaske said he was not hurt but soon he became unconscious. His sister rowed the boat back to shore, Dr. Fitzgerald, who was at his summer home was called and he dressed the wound.

Later Mr. Raaske was taken to Milwaukee for an X-ray examination with a view of finding and extracting the bullet. Miss Dorothy Agnew, daughter of Judge Agnew, was one of the party in the boat.

On Sunday evening two autos met on the Vonrueden bridge west of Eagle on Highway 99, and the little Ford got the worst of it. No one was seriously injured. The bridge is narrow and on account of the dust and the setting sun the view was not clear which caused the collision.

Last Saturday Eagle played with East Troy at the German picnic and lost by a safe score. On Sunday afternoon at Clark's park the boys played a very good game, but through an error lost to Waukesha by a score of 5 to 4. Thursday afternoon the team went to Troy Center to play with East Troy at the field day exercises. Next Sunday a game is scheduled at Clark's park with Dousman.

Mr. and Mrs. Arthur Worm of Chicago and Mr. and Mrs. Walter Worm of Wauwatosa visited the Meredith and Thiele families and other friends Saturday.

Mr. and Mrs. Bahl and family visited relatives here Saturday. Mrs. Caroline Bahl returned home with them for a visit here.

Mr. and Mrs. Jerry Angell of Fullerton, California, came Saturday and are visiting Mr. and Mrs. F. B. Thomas.

Mr. and Mrs. Carl Dahlman, who resided in Palmyra for several years, have returned to their farm west of Little Prairie.

Levi Coombs of California, former merchant here who has been visiting his sister, Rosephie Baker, has gone to Whitewater for a visit with sisters and brother there.

Misses Barbara and Laura Garlach are spending their vacation at Eagle.

Mr. and Mrs. Sherman Stanley and Virginia Nellesen of Evanston, Ill., were week-end visitors of the Thiel and Seefeld family.

Mr. and Mrs. E. J. Burton spent the week-end at Kilbourn and the Dells. Henry Waltermire and family of Wauwatosa are occupying their summer home on Eagle Lake, which Klatt and Wambold have just completed.

Miss Agnes Shortell has gone to Muidale Sanatorium, Milwaukee, for treatment.

Eagle State graded school opens Tuesday, Sept. 4. Prof. Mark O'Connor has been engaged as principal, assisted by Beulah Silvermail, Grace Lane and Mrs. Tidd.

Mr. and Mrs. E. A. Travis and daughter, Lillian of Waukesha, and Mr. and Mrs. Jas. P. McKane and family of Lake Beulah were Sunday visitors at the Lins home.

Mr. and Mrs. Jay Silvermail and daughter, Beulah, will leave Saturday by auto for a visit with relatives at Reedsburg.

Mr. and Mrs. Chas. Hill of Milton, Mrs. Henry Gale and two children of East Troy, called at the Richart home Sunday.

Mrs. George Shearer and daughter of North Lake, are guests of Mr. and Mrs. C. L. Shearer.

MEETING OF NATIONAL FRATERNAL CONGRESS

The annual meeting of the National Fraternal Congress of America will be held at French Lick Springs, Ind., August 27, 28, 29, and 30, 1923.

The National Fraternal Congress of America is an organization of the fraternal insurance societies of the United States and Canada, the subordinate bodies of this organization having a membership of more than six million people who carry life insurance to the amount of more than ten billion dollars. These societies have local bodies in every city and town in the United States and Canada, and the results of the work of the Congress are of local interest everywhere.

Prominent speakers on the program of the National Fraternal Congress for this convention are Hon. James J. Davis, Secretary of Labor; Hon. James E. Watson, United States Senator from Indiana; Hon. Samuel M. Ralston, United States Senator from Indiana; Hon. Harry Arthur Hopf, New York, management engineer; Barney Pearson of St. Louis, and F. C. Walpas of Cedar Rapids, Iowa.

This Congress was organized twenty-five years ago and has been continuous in its work for the benefit of the insured members of the several societies. Several billion dollars have been paid in benefits to the deceased members' beneficiaries which has made possible the maintaining of the home after the bread winner has passed away; the support of the aged, and the education of the orphan.

The assets of these fraternal societies are invested in bonds, the money from which has erected school houses, built roads and streets, and other public improvements which mean so much to the health and prosperity of our Nation.

At the meeting of the Congress addresses will be made and discussion

had upon all subjects pertaining to the welfare of the people of our country, the improvement of the conditions of the fraternal insurance societies and their regulation and superintendence by government officials, additional privileges and benefits to the insured members, education and instruction of field representatives of these societies, and additional matters of interest to the convention will be presented by men most prominent and able in each respective line.

While the Congress is a representative body, yet all members of fraternal societies are welcome and admitted to all sessions of the Congress.

Life insurance as it is now operated has, proved to be one of the greatest benefits to humanity and to the progress and solidarity of our country. Every man and woman who is interested in this great subject should if possible attend the meeting of the National Fraternal Congress.

MRS. ANDREW J. REEVES

Mrs. Rhoda Neal Sewall Reeves was born in Chicago, May 25, 1845, and died at Eagle August 17, 1923, after an illness of one week's duration.

Mrs. Reeves came to Palmyra when a child and was married there to Andrew J. Reeves, November 13, 1861. Soon after their marriage Mr. Reeves enlisted in Company 1, heavy artillery, as an artificer and served during the war. The family moved to Eagle, where they have resided continuously.

Four children were born to this union, Jennie May, who married Frank Vandeven and who died many years ago; Addie Ella, now Mrs. Leander Wambold; Norman Orlando, California; Frank, Harry of Pewaukee, who, with the husband and one brother, Franklin Sewall, survive her.

Mrs. Reeves was a woman of domestic tastes and enjoyed herself with her family. She was kind to all and ever ready to help her neighbor.

The funeral took place from the family home Monday afternoon, Rev. W. J. Perry of the M. E. church officiating, assisted by the Eagle choir. Interment was made in the family lot in Oak Ridge cemetery. W. H. Tuohy, Frank Baker, Henry J. Faester, Junius Amann, Frank Thomas, Walter Jans acted as pallbearers.

Notwithstanding the heavy rain, there was a large attendance, evidencing the friendship and esteem in which the deceased was held. Thus another pioneer has gone to her reward and we all join in extending our sincere sympathy to the bereaved family.

CARD OF THANKS

We hereby extend thanks to neighbors and friends for their many kind deeds during the illness and burial of our beloved wife and mother.

The Andrew J. Reeves Family.

RUPTURE SHIELD

EXPERT HERE

MEINHARDI, WELL KNOWN IN THIS SPECIALTY, CALLED TO WAUKESHA

E. J. Meinhardi, the well known Expert from Chicago, will personally be at the Grand View Hotel, Waukesha, Wis., on Wednesday and Thursday only, Aug. 29th and 30th.

Mr. Meinhardi says "The Vacuum Rupture Shield" will not only hold the Rupture perfectly, but will contract the opening in ten days on the average case—usually giving instantaneous relief withstanding all strain regardless of the size and location of the Rupture. This instrument is highly indorsed for producing results in the United States and foreign countries without the use of surgery, medical treatment, prescriptions or injections.

Caution: Ruptured persons should beware of old-style trusses with understraps. These trusses usually place the pad on the lump and not on the rupture opening. This often causes serious trouble resulting in strangulation and necessitating a surgical operation. Mr. Meinhardi will be glad to demonstrate free to all who call at the hotel from 10 a. m. to 4 p. m., the unusually rapid results produced by "The Vacuum Shield." The largest and most difficult cases, those following operations, are especially desired. Business demands prevent stopping at any other place in this section and he will be here for one date only.

Notice: Do not write asking to be fitted by mail as this is impossible. Every case must be seen personally. If interested, you must call at this hotel on the above date.

E. Ladies' Aid society will be held at Mukwonago at the home of Mrs. John Austin on Thursday, Sept. 7. It has been suggested that a baking sale be held on that day at the meeting, for the benefit of the society. There is a very small amount in the treasury at this time and early in October the interest on the church debt is due and the payment has been assumed by the L. A. S. Church services at the Vernon M. E. church next Sunday in the afternoon: Sunday school at 1:30, preaching at 2:30.

We have been requested to give a report of the general work of the Vernon M. E. church's two social organizations, the Ladies' Aid society and the Jolly Workers club, for one year, from August 1, 1922, to August 1, 1923. While the aims and results

of the two societies are identical and their members in many instances the same people, the club has not always had the support and co-operation of the older society. It has been such a success and able to accomplish so much largely because of its non-sectarian membership. The report of the L. A. S. shows the total receipts for the year, amounting to \$490.92, to have been as follows: Dues collected, \$48.20; donated by visitors, \$75.55; amount on hand Aug. 1, 1922, \$11.90; receipts from bazaar, \$184.57; receipts from concert, \$14.30; receipts from entertainment, \$26.65; receipts from socials, \$51.67; receipts from sales, \$26.20; donations, \$16.75; Liberty bonds and interest, \$103.13.

Disbursements of the society are: Portion of pastor's salary, \$100.00; portion church debt, \$120.00; centenary fund, \$50.00; materials, \$48.42; painting hall, \$68.51; expense of reception, \$24.50; interest on debt \$60.44; total, \$471.87, leaving a balance on hand Aug. 1, 1923, of \$19.05.

The report of the Jolly Workers' club shows the amount in the treasury Aug. 1, 1922, to be \$56.28; dues collected, \$28.82; donated by visitors, 30; from sale of articles to June 1, \$274.70; cleared from supper, \$42.09; making total receipts of \$406.19.

The Sunshine department is in the hands of Miss Myrtle Vick and has dispensed \$35.00 worth of cheer in one year. The disbursements of the Jolly Workers' club are: Paid to church debt, \$100; paid to church fund, \$10; paid to pastor's salary, \$25; paid to light fund, \$100; paid for materials, \$154.77; paid for repairing chairs, \$4.00; paid for printing tickets, \$1.25; gift to the Rev. Mr. Leonard, \$5.00, making a total of \$400.02, and leaving a balance in treasury Aug. 1, 1923, of \$6.17.

These figures were furnished by Mrs. Anna Hart, secretary of the Ladies' Aid society. When the year's report was read at the meeting of the quarterly conference, no distinction was made in the crediting. A pie a la mode social will be held at the United Presbyterian church parlors on Friday evening of this week. Everybody is cordially invited to attend.—Vernon boys' baseball team will go to Caldwell on Saturday to play ball at the community picnic there. The girls' team played the Mukwonago girls' team last Friday afternoon on the High school campus, resulting in a score of 28 to 25 in favor of Mukwonago. It was a hotly contested game and the home team claims that it should have rightly been theirs.

Mrs. Bolter was badly injured.—Robert and Donald Howard are spending a week with their grandparents, Mr. and Mrs. D. R. Campbell, Waukesha.

NEW BUTLER

Recruiting officers from Chanute field, Rantoul, Ill., arrived at the Meisenheimer plane field recently. They are Private Perry, Sergeant Marvin. Applications are being received from men wishing to enter the United States Air service. Thirty courses may be chosen from at the air service technical schools at Chanute field. These courses are designed to train technicals and mechanics to meet the army's need and to raise the soldier's general intelligence in order to increase his military efficiency, or to fit him for a definite occupation upon his return to civil life, we are told. Enlistments have been opened in Milwaukee and men will be accepted until the quota is filled.

Hold Mission Festival

The annual Mission Festival will be observed at Immanuel Lutheran church on Sunday, Sept. 2. Three services will be held, at which everybody will be welcome. Meals will be served at the church.—At the meeting of the Ladies' Aid of Friedens Evangelical church, Mmes. Richard Schneider and Fred Schmidt acted as hostesses.—On the return of Rev. W. R. Conner from a short vacation, services at Pilgrim M. Marko and Otto Fuehling took place at the bride's residence Tuesday afternoon.—When Mrs. Katie Shobotz returned from a day spent in Milwaukee, she brought her little two-year-old baby, Emil, a small glass telephone. The child, with the toy in his hand, fell on the cement sidewalk, crushing the glass and driving the splinters into the palm of his right hand. Four stitches were required to close the wound. Aside from a slightly weakened condition due to fright, pain and loss of blood, the little fellow is doing nicely.—Mrs. W. C. Smith, desiring to make a short call, left her three small children, Irene, Phyllis and Desmond, seated in her car. Having left brakes set, and everything in order, the call-being over, she cranked the machine. Alertness alone, saved her from being run over. Seemingly, the children, in the interim had released the brakes, and the car started across the street. Fortunately Parmalee Van Strom was near by. He made a dash for the auto, jumped on the running board and stopped the car before any real damage was done.—J. Bowers was painfully injured Monday afternoon, while at work in the rail mill of the Chicago and Northwestern railway, when a rail fell, striking him across the abdomen and one foot. An ambulance was called and he was rushed to a Milwaukee hospital.—Larry Wright spent a few days with relatives in Hancock, Michigan, where he attended the wedding of his sister on August 14.

SHEEP SALE IN COUNTY BRINGS \$6,020 TOTAL

McKerrow's Annual Averages \$74.26 Highest Price for One Animal is \$450.00

Eighty head of sheep were sold for \$6,020 or an average of \$74.26 a head at the annual sale on the McKerrow & Sons company farms, Pewaukee last week Wednesday.

The consignment consisted of tried sires, yearling rams, show ram lambs, aged ewes, yearling ewes and ewe lambs. A large number were from their own breeding flock and a number of choice animals from imported stock, received from the Thomas Butler herd in Scotland.

The highest price for any one animal was \$450.00 for a 2-year-old ram from the Butler herd, and was sold to the University of Minnesota. The next highest was \$300.00 for a yearling ram from the same flock, and went to E. E. Guthrie. Nine head of imported rams averaged \$173.00. Dahl Bros. of Indiana paid \$200. for a yearling ram of the McKerrow breeding which topped the slate for home bred stuff. The highest priced ewe of \$135.00 going to Ray Taylor, Zanesville, Ohio. She was sired by Senator Bibby 3rd, one of the noted breeding rams at the McKerrow farms.

Many Mail Orders
A large number of mail order bids were handled by such men as Prof. George C. Humphrey, Madison; Prof. P. A. Anderson, St. Paul; Leon H. Robbins, Wisconsin Agriculturist, Dwight Lincoln, Marysville, Ohio; Gavin McKerrow, George McKerrow and others. A number of different states secured animals such as Minnesota, Iowa, Ohio, Indiana, Illinois, Massachusetts, Oregon, Michigan, Pennsylvania, South Dakota and Wisconsin. Probably the purchaser from the greatest distance was George H. Brown of New Eva, Oregon, who was present at the sale and purchased one imported yearling ram. The only Waukesha county buyer was the Anoka Farm, Waukesha. Mr. Harding purchased a number of the imported ewes and a few choice ewes of McKerrow breeding. The largest buyers were Ray Taylor, Ohio; Sirossis Farm, Lynn, Mass.; and Anoka Farm, Waukesha. A number of Wisconsin buyers took home one or two head.

Sale Price Fair
The prices were fair but many thought the imported animals sold a little too cheap. However, the McKerrow Farms offered animals as long as they were called for. Col. Lincoln cried the sale, assisted by O. S. Johnson of Tipton, Iowa. They both worked hard but after a certain mark was reached it seemed needless to try any harder.

An excellent lunch was served at 11:00 o'clock and the sale started shortly after 12 and closed about 4. When Mr. Gavin McKerrow was asked how he liked the way the sale turned out he only smiled. How could he do otherwise as he is the happy father of a son born the morning of the sale. The little man will be known as William A. McKerrow, and no doubt will be a great addition to the family, and in all probability will carry out the work started by his grandfather and so successfully handled by his father.

COUNTY NURSE SATISFIED AT CLINIC RESULT

Miss Matts Finds County Mothers Responding to Invitation

Miss Minnie Mae Matts, county nurse, said today that the second in the series of child welfare clinics held last week in Waukesha under the auspices of the state health department exceeded in results what had been hoped.

Thirty-six patients were examined and the limit of what can be handled in a day is forty. This was unusual as in many counties the limit of forty is not reached until the clinic is well established.

"One of the most interesting cases we had," said Miss Matts, "was a pair of twins, one month old. One twin weighed but four pounds and the other six pounds, just the weight of one good sized babe at birth. In spite of their diminutive size the twins were doing well."

Came From Coast
"One woman who is visiting here and is from San Francisco, brought two fine little Californians to be looked over, saying she was in the habit of visiting the welfare centers in her own state and knew how valuable they are. Another visitor, this one from Chicago, made the same statement when she brought her baby to be examined."

"Many who came were from cases from the clinic held a year ago, some from two years ago, and some from the traveling welfare wagon which went through the county last fall. Our visitors included those

The Visions of a Condemned Postmaster

By A. H. Craig, Mukwonago, Wis.
I'm going to be a Farmer Guy,
A-working in the dirt,
A belt to hold my trousers up,
No collar on my shirt.
I'll roll my sleeves and brown my arms,
And sport a slouch hat, too,
And to be cool on hottest days
I'll wear a sockless shoe.
I'll raise me sweet corn and green peas
And every truck I know.
I'll have me berries of all kinds
A-planted in a row.
A row of red, a row of black,
A row of luscious grape,
But currants with their acid squeal
I'll never tolerate.
The Dunlap is a standard kind
To mix with sugar, cream,
And as I think how good it is
It seems a pleasant dream.
But when you come to real stuff,
There's nothing quite so nice
As "Honey Melons" grown by Craig.
A whole one for a slice.
When once you get that honey taste,
A thousand dimes I'll bet
That you will carry in your mind

A taste you'll ne'er forget.
And so a Farmer Guy I'll be,
A-working in the sun;
I know to raise this garden truck
Will be the height of fun.
I'll get me up at five o'clock
And eat my oatmeal dope,
And then I'll hoe 'til half past 'leven,
Then wash me up with soap.
And so I'll go from day to day,
In Eden's charming fields,
Gathering shekels from the ground
With appetite for meals.
Can't hardly wait for Uncle Sam
To free me from my care
Of counting stamps for Dick and John
And smiling to the fair.
'Tis true I have a salary,
But that will scarcely count
Compared with what I'll surely glean
From out the golden fount.
So hurry up, Oh, glorious days,
The days I'm wishing for,
All else with joy I'll cast aside,
All else I will abhor.
And so I say with cheerful mind,
Behold the radiant sky,
That waits for me in Eden's field,
I bid me there.—Good by.

FARM WOMEN GATHER FOR BIG MEETING

Audience Fills Y. M. C. A. Auditorium—Present Fine Program

An unusually large number of Waukesha Farm Bureau auxiliary members gathered Thursday afternoon at the Y. M. C. A. building for a program arranged by a committee consisting of Miss Mamie Wern, chairman, Mrs. Alex Mair and Mrs. Reno Christoph, assisted by the auxiliary citizenship committee of which the members are Mrs. Henry E. Howel, chairman, Mrs. W. J. Wright and Mrs. Arno Moore.

Mrs. H. M. Youmans gave the principal address, using as her subject, "Some Things Every Woman Ought to Know Politically." The talk resulted in a lively discussion and many questions.

Other equally interesting talks followed, including Miss Alice Brown's reminiscences of experiences in a French boarding school for girls, Mrs. W. W. Brown's talk on "Good Mothers as a Help to Citizenship" and Miss Mae Dormbleser's address on "Education in Citizenship."

An extremely interesting number was a drill contributed by the grade pupils of the Westmoorland school. They were trained by Mmes. Henry Howell and Bert Fruit.

The round table discussion of "Citizenship," led by the Mmes. J. W. Baird, Henry Hubman, B. L. Fruit and Charles Atkin, and Miss Catherine McVicar, proved engrossing and was eagerly entered into.

An elaborate musical program had place with the addresses. Mrs. A. D. Shultis lead community singing. Mrs. Claybaugh and Miss Viola Kern played piano solos and Miss Agnes Ewing sang.

The committee appointed to arrange a program for the September meeting consisted of the Mmes. A. D. Shultis, Galen Lowry, John H. Baird and Will Reiser and Miss Esther Kutzt.

The cook book committee was appointed and has as members the Mmes. John Morris and John H. Baird and Miss Nel Smith. The refreshments committee members are Mmes. B. L. Fruit and Harry Lowry and Miss Anne Zick.

Mr. and Mrs. Ira Proudft and Mr. and Mrs. Thomas Sutton spent the weekend at the Jones cottage.—It is rumored that some of the south lake frontage has been sold.—Theodore Loefer of Milwaukee was a visitor at Sidney Smart's last week.—Mrs. Sederholm and daughter, Karen, George Bugbee and Mrs. Meyers were callers at the lake.—Mrs. George Roberts of North Prairie is visiting at the lake.

from Genesee, Hartland, North Prairie, Oconomowoc and other cities.

Knew Nurse Before
Many of those who brought their babies were women upon whom the county nurse has called and who wanted more of the advice and aid received through these calls.
The mothers were eager for literature pertaining to the welfare of infants, mothers and expectant mothers and this is supplied either by Miss Matts or at the clinic.
The clinics will be continued the second Tuesday of each month for one year. All interested mothers are urged to come. Everything in connection with the clinic is free.

COMMUNITY FAIR TO TAKE PLACE ON SEPT. 28-29

Waukesha Township Boys and Girls to Exhibit at Stock Pavilion for Prizes

At a meeting of the finance and publicity committees last week Tuesday at the farm bureau office, plans and the time for the third annual Waukesha township community fair were arranged.

The fair, which has been held for the past three years, the nature of it being an educational and agricultural exhibit by the children of the schools in the town, will take place on Friday and Saturday, Sept. 28 and 29.

At Stock Pavilion
The Waukesha Sales Pavilion has been chosen by the committee for the gathering. It is expected that more than 300 children, boys and girls of the ten township schools, will enter exhibits, for which cash prizes amounting to \$200 will be awarded. Exhibits of live stock by the county children will take place at the county round-up, a separate exhibit.

In addition to the fair, there will be a program on Friday and Saturday night, for which the program committee, appointed Tuesday night, will make arrangements. The entertainment will consist of numbers of interest to the children as well as the older folks.

Prepare Premium Catalogue
The publicity committee will begin at once to prepare a premium catalogue, and guide book, which will be placed in the hands of the school teachers for instruction in preparing the exhibits. At the meeting Tuesday evening, the question of an admission fee was discussed, and although not definitely settled, it was the opinion of the majority that no charge be made for admission in the daytime, but that a slight fee be asked for the night entertainments.

Further meetings of committees and the association as a whole will take place before the complete plans are made. Robert L. Baird is chairman and Mrs. Henry Howell, secretary.

HOLSTEINS PLAN BIG MEET AT WATERTOWN

WATERTOWN, Wis.—Members of the Homestead club and cattle breeders from all over the country will come here where the famous Homestead Holstein strain originated on Oct. 15, 16 and 17 for one of the biggest dairy events ever held in Wisconsin.

Cattle from the best herds in New York, Pennsylvania, Minnesota, Iowa, Illinois, Kansas and Wisconsin will be exhibited here on those days. The first national Homestead Day will be on Oct. 16 and prominent dairy specialists will speak.

October 17 will see seventy-five head of the finest Homestead Holsteins sold in the new Watertown sales pavilion. These cattle are coming from leading herds all over the country. Francis Darcy, secretary of the Homestead Club of America, will be in charge of arrangements.

"Woman's character is revealed by her walk," says a careful observer. Another argument for those low broad heels, to steady her gait.

The coal parley that ceased to function temporarily will be reopened Monday.

F. J. BERGHOLTE ASKS RECRUITS FOR CO. NO. 183

Two Local Deserters at Camp Douglas—Our Men at Head

Waukesha's special representatives at Camp Douglas for the past two weeks, Hospital detachment No. 183, Wisconsin National Guards, covered itself with glory again this year, just as it did in 1922 when it was a Medical detachment although the personnel was largely the same.

Capt. F. J. Bergholte, in charge of the detachment was unofficially informed that when the awards for the winners of records for expert drilling and other work are made, Waukesha's detachment will be at the top, but the official announcement has not yet been made.

Forty-four men out of the entire quota of fifty-one were present and on duty every day while in camp. The seven not present all had legitimate leaves of absence with two exceptions.

Two Privates Desert
Privates Lloyd Thomas and A. Pegoosh were absent without leave, making them technically deserters. If they return to Waukesha it will be Capt. Bergholte's sworn duty to arrest them and turn them over to the government officials, after which they will be tried by courtmartial on the charge of deserting from the W. N. G. They are also subject to arrest if recognized in any place in the United States.

Capt. Bergholte said there was no excuse for this desertion as in case of any important reason for their not coming they would have received leave of absence.

"Quite in contrast with their attitude," said Capt. Bergholte, "was that of Private Leslie Cole. Private Cole found it almost impossible to get to camp so applied for and received leave of absence for the entire time of encampment. Five days before the end of camp, circumstances switched about so he was able to get to camp. No one is paid by the state for coming to camp unless they serve at least 60 per cent of the full time, fourteen days, and the railroad expenses are not paid for any who do not go up in the troop train.

"Private Cole was so eager to get the training for the remaining five days that he paid his own expenses to the camp and served the five days without pay," said the captain.

"It was found in 1922 that the schedule of training was too severe for the men. While it was all right for the regular army, hardened to it by constant exercise, the boys who came from shop and office found it so irksome that many came home wearied instead of refreshed by the ordeal.

"This year a new schedule was put into effect and the men were given drills from 7:30 a. m. until 11 a. m. daily; listened to lectures from 1 to 3 p. m., and then were free for the remainder of the day."

It was an interesting fact that Capt. Bergholte was entrusted with the drilling of all the other three hospital units, and in this work used his Waukesha non-commissioned officers as aids. This was considered a great distinction for the Waukesha detachment. Unofficial information has been received by The Freeman that Capt. Bergholte is in line for advancement to the rank of major and that as there is soon to occur a vacancy above him, this advancement will probably be in the near future.

The company now has its entire equipment with the exception of twenty hospital trucks which are to be allotted soon.

It is the intention of Capt. Bergholte to begin recruiting on Friday of this week to bring the number of men in the detachment up to the limit which is eighty-six.
Men who got promotions while at Camp Douglas were Staff Sergeant Oscar Highley, who now is technical sergeant; Duty Sergeants John Hawtin and Harry Hoffman who are now promoted to staff sergeants.

MAN MUST BE SQUARE IF HE GETS ON TEAM

New Carroll Coach Says Best Football Player is Best Citizen

Norris Armstrong, Carroll's new football coach and athletic director, arrived Thursday night. He is a fine type of manhood and is enthusiastic over the prospects of Carroll's football season.

He was coach at Centenary college, Freeport, La., last year and out of ten games played, Centenary college lost but one.

Mr. Armstrong has not had opportunity yet to look over Carroll's athletic material, but he is quite as certain there will be plenty of the very best sort as if he had actually seen it, and is anxious for Sept. 17 and the opening of the college year to come.

Prophesies Great Future

"Of course," he said, "we shall probably not play an all-winning season the first year or be able to go east to beat Harvard this season—but we'll do it in time. We're bound to. I'm enthusiastic about that because I was in the football team that did go from Centre college, Ky., to beat Harvard, when Dr. Ganfield was the president of that college, and I'm sure Carroll's boys will do as well as Centre after they once get going. When Centre beat Harvard we had a team of men who weighed from 140 to 160 pounds while Harvard averaged 200. It was our fine spirit of co-operation that did it. It was because every man in the team loved every other one as if he were a brother and we all loved Centre college. We were together day in and day out because Centre college was a small institution and we felt more like one big family than an aggregation of students."

"When we pick our men for the Carroll team, we shall count personality as well as athletic ability. The player to succeed must be a square, likable fellow with a genius for friendship, as well as a man with strength and alertness."

"Baseball is the best training imaginable for the man who wants to succeed in business, and it takes the same qualities. The man who can size up a situation quickly and act instantly upon what his judgment decides upon, is the best football player. The man who can size up a business situation a right and act instantly is the man who succeeds. And the football player with good team spirit grows into the best citizen with the community interests at heart."

"We had a wonderful quarterback on our Centre college team. He could size up a situation and act in the best possible way almost instantly. He now has a position as football coach at Centenary college which pays him \$10,000 for the three months of the football season, each year. He was with Centre college when it lost only two games in five years."

Mr. Armstrong says he has little preference between football and basketball and that both are equally good developers of physiques and of the team spirit, so valuable to any college man. In speaking of basketball, he recalled that the Centre college basketball team when Dr. Ganfield was president of the institution, went east on one trip and took games on three successive nights from Harvard, Brown and Johns Hopkins universities. The team was champion of the south for two years and of Kentucky for three years in succession, so he is used to working with winners.

Mr. Armstrong is eager to begin his work with the Carroll college athletes and is certain success is ahead of them.

STATE TO OPEN WAR AGAINST THE PEDDLERS

Hope to Prevent Unlicensed Vendors and Peddlers, Operating at State Fairs

MADISON, Wis.—Last Monday State Treasury Agent C. B. Ballard started on a campaign to bring unlicensed peddlers, vendors and other hawkers to justice and in addition Ballard will wage war on the "unlicensed gambling" which is making our county fairs a "public disgrace."

Ballard contends that county fair officials are making it as difficult for him as possible, combating his every attempt to stop gambling and to enforce the laws in regard to the licensing of peddlers and vendors. It is not necessary for residents of the county in which the fair is located to take out licenses, Ballard explained, but all others must procure license, varying in price from \$30 to \$75.

Fairs are Disgrace

"County fairs are a public disgrace now-a-days," Ballard said. "They have supplanted the agricul-

STATE LOWER IN FRAUD THAN OTHERS IN U. S.

Opinion of E. A. Schwab in Address Before Securities Commissioners

MADISON, Wis.—Wisconsin has less fraud and fewer blue sky operators than any other state in the union.

All the schemes of swindlers in the Badger state are small and involve only small sums.

"This is the opinion of E. A. Schwab, special investigator for the National Vigilance committee, who addressed the members of the National Association of Securities Commissioners on Thursday. As an investigator Schwab has exposed some of the most gigantic swindles in the United States. He was formerly postoffice inspector for Wisconsin with headquarters at Fond du Lac.

Bled for \$500,000,000

The people of the United States are bled for between \$500,000,000 and a billion dollars yearly by crooks who operate in a thousand different ways," he said in his talk before the securities commissioners.

"The United States treasury alone estimates that approximately \$400,000,000 worth of Liberty bonds are exchanged for worthless securities."

Schwab explained some of the methods of crooked oil promoters. This type of operator buys a filling station and an oil tank and has it photographed from every different angle, making a panorama picture for the glowing prospectuses which are sent to thousands of innocent investors. He cited the case of the Revere oil company which he recently exposed.

"The oil game is being worked out, however," Schwab said. "Next they will turn their attention to mining schemes. Within a very short period the public will be flooded with gold, silver and copper literature and the 500 per cent dividends dangled before the eyes of the unwary in the oil promotion will have to be surpassed by this unprincipled gang in an attempt to filch more easy lucre from an unsuspecting public."

Leviton in Address

State Treasurer Solomon Leviton talked to the securities men at their banquet on Thursday evening. He talked on Wisconsin's blue sky laws, giving high praise to the effective work of commissioners under this law.

"The average man has more difficulty in keeping his money than in making it. People as a whole are ignorant of investments and securities. Many a man who has worked hard all his life has been robbed of all his savings by unscrupulous stock salesmen. Wisconsin has lost millions in gold bricks," Leviton said.

The state treasurer then outlined the condition leading up to passage of Wisconsin's blue sky law. "I am glad that I was able to have a share in the enactment of Wisconsin's blue sky law. Through my connections as a banker, I was in a position to know conditions. I knew people were being taken advantage of. I brought this matter to the attention of the governor and he incorporated his recommendation for a blue sky law in his next message to the legislature."

It is said that President Coolidge claims his ancestors did not come over in the Mayflower. Maybe so, but that's a hard thing for any native American to prove.

tural and manufacturing exhibits with a cheap class of entertainment and all forms of low vice—particularly gambling. The idea of the county fair is to provide an exposition of agricultural and manufactured products. Our fairs today are not fulfilling that ideal."

Only about 200 applications for licenses have been received, the state treasury agent said. About twice this number are operating various kinds of concessions on the fair grounds just swinging into action.

"County fair officials desire to get all the money that they possibly can from these fairs. That is they do all they can to prevent getting my very modest license for the treasury office. They are afraid that some of the conc will be driven out by this

RESORT HIGHWAYS IN WISCONSIN

MADISON, Wis.—The main trunk highways to the summer resort regions are the "dampest" routes in the state, reports to State Dry Chief Herman W. Sachtjen's office show.

Five arrests were made at Beaver Dam in the heart of the Fox lake region recently by prohibition department deputies. Large stores of moonshine, faked liquor and a little bonded whisky were taken. It was all secreted in hidden panels. All the places raided were saloons, the oasis for the tourist from dryer states.

"We intend to make drives within a short time on other tourist centers," Sachtjen said. "We intend to watch these tourist routes very closely."

MUKWONAGO

A pretty home wedding, that of Miss Lauree Fern Gibson, only daughter of Mr. and Mrs. Arthur Gibson, to Alvin Forest Raether of East Troy, was solemnized at the Gibson home, Eagle Lake ave., at high noon Monday.

The bride wore a charming gown of grey gorgette crepe and carried a bridal shower bouquet of ferns and sweet peas. Miss Florence Coman, the bridesmaid, wore a brown dress and carried a bouquet of white daisies and ferns. Mr. Raether was attended by his brother, Frank. The bridal party entered the parlors to a wedding march played by Mrs. Arthur Hillier and stood before a bank of beautiful flowers where the Rev. Mr. Heywood of Waukesha performed the ceremony.

Immediately after the ceremony a wedding dinner was served. The table was decorated with cut flowers and ferns. Covers were laid for twelve. The guests were the immediate members of the families of the bride and groom, Mr. and Mrs. A. E. Raether Sr., Frank Raether, Miss Florence Coman of East Troy, Mr. and Mrs. Johnson of West Allis and son, Kenneth. Mrs. Emil Manner assisted in the dining room. Mrs. Raether is one of Mukwonago's most popular and much loved daughters having spent her life here and has a host of friends who join in wishing her and her husband much happiness. Mr. Raether is a rising young business man of East Troy. They left immediately after dinner for a wedding trip to the Dells, after which they will make their future home in East Troy.—Judge J. C.
