#### SOUTH DAKOTA.

by L. D. Hinkley. Continued.

The possibilites of South Dakota are beyond helief or comprehension. Of the 70,000 farmers in the state, there is not one but has raised some favorable year 40 bushels of wheat per acre-75 bushels of barley, 150 of oats, 30 of flax and 100 bushels of eorn are a common occurence. All root crops are lavish with their yeild. If all the soil could be seeded to the same crop, say wheat the same year and mature with out injuiry the total yield would be the enormous total of 1,440 million bushels which would furnish bread for half the civilized world for two years. It is bewildering to contemplate and yet some olks think that some day the earth will refuse to furnish food enough to sustain life in the human family.

More than 20000 farmers in this state n 1891 raised and sold wheat enough to pay for their farms, pay all expenses and put a nice little roll in the bank for future reference. One farmer has raised in a single year 750,000 or 34 of a million bushels of wheat on one farm. One He retains the agency of the Rome Inmay ask. Why do we hear of distress published at Hartford, Wis. #### CHAFIN-DOPP DEBATE. E. W. Chafin and A. J. Dopp, of Wau-

kesha, will give their famous debate on the saloon question at the Opera house, next Thursday evening, March 15.

The debate has been given with great success at Waukesha, Menomonce Falls and elsewhere in the county. It always appeals to the anti-temperance people as well as to the prohibitionists.

Mr. Dopp's defense of the saloon is an eloquent and interesting argument ir which humor and common sense are pleasingly combined.

Mr. Chafin needs no introduction as a temperance speaker, to the people of Eagle, as he has been heard here fre- H. M. Loibl, agent. quently. The debate has always proven a most pleasing entertainment and the Opera house should be crowded, Thursday evening.

#### HON. HENRY WEINER.

On Friday, Feb. 16, at Columbus, Wis. occurred the death of Hon. Henry Weiner one of the pioneers of Waukesha county. He was born near Mentz, Germany, May 16, 1827, where he was educated and resided until he attained his majority. He rame to America in 1843 with hisparents Nicholas and Phedas M. Weiner, arriving in Ottawa in Jume, where they found the Link brothers in a log house built on the line of sections 4 and 8. These with the Weiner families and that of Mr. Munds-Mandolins, rich in design and finish, of chau all lived for several weeks in the 14 x 16 cabin. The father of Mr. Weiner bought and built in Ottawa that summer. He died Dec. 16, 1847, his wife surviving until Aug. 10, 1856.

This left Henry alone as his only sister died in 1846. On the 9th of June 1851, Mr. Weiner was married to Miss Anna Derr, a native of Germany and a resident of Columbia county, Wis.

In 1868 he built the only store in Ottawa where he also conducted a large farm of 270 acres. He served in various town offices, viz: constable, justice of the peace and supervisor, making a splendid record as chairman during the war filling the protest promptly and well and was continued in office for several years as a as of Mukwonago was a guest of his democrat, although the town was strongly republican. He is survived by a wife and eight children, John of Chippewa Falls, Joseph of Denver, Philip of Blumer, Wis., Mrs. Margaret Link of Burt, Iowa, Mrs. Edgar Dushane of Hastings, Minn., Mrs. B. P.
