A SPECIAL MAN

I have a special man in my life,
he has five children and a lovely wife.

When he sits in his big red chair,
you can talk to him if you dare.

If the television is playing,
he won't hear a word you are saying.

He coaches any ball game,
no matter what its name.

He has lots of fun,
unless he has to run.

He has lots of aches and pains,
especially when it rains.

If you still don't know this lad,
he is my very special Dad.

We love you!!
