

Carl won't be able
to go to school tomorrow.
I think he has a
severe case of flu
but because of the
prevallancy of scarlet
fever - it is better
that he not attempt
to get up. If you
want to close his
room tomorrow I
shall be glad to
help notify the

students. Perhaps
you would rather
get a substitute. The
symptoms of scarlet
fever showed the
position by morning
if it is that.

You can let me
know if you wish
me to call the
pupils.
