**We Are Lifted By Faith**

**At baptism this little child begins a life long  
journey of faith.**

**With the nurturing of a caring church, he learns that  
he is loved by God and is part of the family of Christ.**

**Growing in faith, he begins to share this love with  
others both in worship and in service.**

**And he knows that God's love, as expressed in the life  
of Christ, will be with and strengthen him forever.**

**May we all, whatever our age, begin again like little  
children. Let us walk together in faith. Let us learn.  
Let us share. Let us be forever nourished. And let us  
live a life of love.**
