

Celebrating 125 years of Caring

Pastor Christal Bindrich

1996 was a year of celebration. A celebration of our ministry in Eagle, Wisconsin. Our activities this year captured the spirit of yesteryear's. Our family picnic included a box social lunch, pitching horseshoes and square dancing. During October we praised God in worship that celebrated the late 1800's, 1920's, 1960's, and 1990's. A look at where we have been.

This pictorial directory of Eagle United Methodist reflects a moment in time - our current ministry as the body of Christ. Our youth have reached out in love to help those in need of housing. Our women have formed a United Methodist Women group and dedicated themselves to Mission. Our choir faithfully leads us in worship. Our teachers continue to inspire God's word to our children. Our adults participate in adult learning opportunities. Our congregation continues to support local food pantries. The Holy Spirit is at work amongst us.

"How good and pleasant it is for God's people to live together in unity." - Psalm 133. The Psalmist obviously knew how important it was for people to be together in community. The Church is a community. We have come together to support each other in our search for a full and whole life in Christ. This pictorial directory is an expression of our unity in Christ. We are a caring community.

LORD shall renew their
strength; they shall mount up
with wings as eagles;
they shall run, and not be
weary; and they shall walk,
and not faint.
