Dear Dorothy,

I should have Typed
This summary from
1584, but maybe you
can make out where
a Bovee appears.
What can you find
out about missing
dates?

I faintly remember
Cient Keziah,
but don't
remember
her 3 daughters,
only Lila Burton,
the daughter
of Almira —
So The Bovee was

Li-La's halfuncle,

Your father may
know about This
Booze -
