Dear Harriet: I'm sorry to have
seemed so slow about writing. I
had gathered the notion that you
would be so very, very busy for
weeks and weeks. I should have
remembered how very efficient
you can be! 

Dear you are inspiring your flower.

I have a very comfortable re-
tirement hotel in which to live, I
of course still have to huddle about
with a cane. I am so very thank-
ful to be able to get along as well
as I do. I don't expect miracles,
though!!

I was glad to hear a bit of
news about the Cruver family
again. Glad to hear that you
keep up with John and Harry.

On Wednesday evening some
Hoover High school young people
came in to entertain us for a
little while. Mostly gym-
nastics. One boy played the
guitar and sang a couple of times
and another boy came on
twice with a good old snorting
tuba!!

Earlier a group from Glendale
College put on a one-act light
opera. Good voices. Setting was
such as some one on Nantucket.

Much love to you — Mabel
