

Dec. 26, 1975
Friday Night

Dear Harriet: I'll use my
last 8-cent postal card to see
whether it will go first to
Random Sabe!!

Well, we're pretty well
headed for 1976. Winter is
really upon us but here in
Los Angeles we're still having
sunshiny mild afternoons and
nights no worse than in the
forties. January is when we
usually have our coldest weather
of the year, but January can't
seem too long after our milder
autumn. Or can it??

It has been wonderfully sat-
isfying to hear from all the closest
relatives and friends during this
holiday season. It does bring all
of us closer together, doesn't it!
I'll be glad when the baseball
season begins. In the meantime I like
some basketball and some college
football.

Be sure to watch the Rose Bowl game on
New Year's Day!! Love - Mabel
