LAST COMMUNICATION

Dear Harriet; Glad to have
your letter. The Cramers seem
to be doing all right, especially
by Warren whose write-up in
the paper was sent to me by
Jennie and Fern.

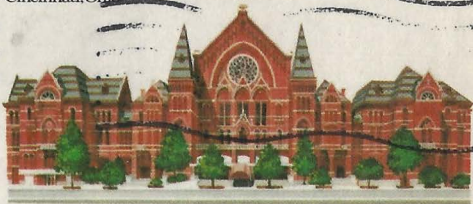

My bad leg and hip are
really better due to some
work by a girl therapist I
see occasionally.

Writing is so hard for me.
Please forgive me for it -
and remember that I
always try to write with love -
much love - Mabel
