

MADELGRAH

Early Tuesday a.m.
July 4, 1978

Dear Harriet: I hope you will let me know at once if there are any changes in your living plans. I take it for granted that right now you are in the same old cottage.

Ruby and Harold Chapman write to me from time to time with news of their family and of Eagle. They sent a winter snapshot and a newspaper clipping last time. One of their daughters (Ann) stayed in Wisconsin. Pat is in New York state and Evelyn is in Arizona. They have always been a fine family. Ruby says the girls all have good husbands which is very rewarding (and somewhat unusual) nowadays. So many of the young couples I know have been divorced. (Some before they are out of their twenties!!)

Things here are about as usual. Somewhat lull but that's the way I like it now. This morning the veterans here will have a short patriotic program.

Love to you - Madel
