march 27, 1977

dear Harriet! So - I have  
moved. On Monday I came  
in here to a very restful  
atmosphere where I'm  
trying to catch up on my sleep  
and to improve as much as I  
can. I can walk a little  
without my cane but I have  
discarded my notes walkies!!

I'm still waiting to  
hear more about Kenya!!

I hope your tough winter  
weather is over. Maybe  
your summer will be great. (I  
had to change pens!) I'm so  
slow and sort of feeble still.  
We here in California have  
had a comparatively warm  
winter. (Changed pens again!!)  
Hope to hear from you soon.  
Love - Conabel
