Dear Harriet,

000.13.29

Sincerely, Doris Fox

I am Mabel Watrous' cousin and I know you are a dear friend of Mabel's. She passed away in the nursing home on Sept. 20 of old age. Her body was cremated at Forest Lawn C. and there was no service as she requested in her will. Her nephew Paul Watrous of Whitewater said they would like to inter the ashes in the family plot in the Eagle Cemetery. I have heard Mabel speak of you so many times and it was sad that she could no longer write & keep in touch with her friends. I lived in East Troy and am well acquainted with southern Wis. Mabel was a dear, warm person & she shall all miss her.
