

First Fall Turkey Dinner 1938

**First fall Turkey Dinner held at Stead's
Restaurant on Main Street**

“The first Fall Turkey Dinner was held in 1938 at Steads Restaurant on Main Street. That same day, games were held at the bandstand across the street. Because of the lack of space on the church property, summer and fall parish festivals were held in the heart of downtown Eagle with many of the villagers joining in the festivities.”
