

# **St. Theresa School Closes, 1968**

“At the 1968 parish meeting, Monsignor Eschweiler announced that the financial burden of the school was heavy. He said that expenses exceeded revenue by \$100 a week. The parish would have to sell off the remaining securities from the Lins estate to pay off \$20,000 in bills. St. Theresa Parish School did not re-open that September.” *Mariangela Pledl, St. Theresa Church Directory 2002*
