

Covid 19 Pandemic, 2020

On March 15, 2020, a directive from the Archbishop Jerome Listecky decreed that there should be no holy water, no sign of peace (handshake), no holding hands during the Our Father. The next day, the pastor of St. Theresa's, Fr. Loyola Amalraj, sent a letter to parishioners that all Masses and meetings would be cancelled through at least the month of April. However, small groups, no more than 10 at a time, were allowed to enter for Adoration of the Blessed Sacrament. Volunteers were on hand to monitor and sanitize the pews after each visitor.
