**GREETINGS
FROM
THE
FEUCHTS**

Dear Family and Friends,

Another year has flown by for all of us! Within the course of this year, so much has transpired. The best of all though is that we are all happy, healthy and working! So, just a little re-cap on us all:

Jason is still working as a Civil Engineer for Kapur and Associates out of Burlington. He works a lot of hours, but, he really enjoys what he does – and that’s the most important thing! His exciting news though is that he is now engaged to Joelle Kurth. They have dated about 5 years. Joelle is finishing her Master’s degree in social work currently. They are planning a June 4, 2005 wedding.

Jonathan and Lis are very happy newlyweds. Jonathan is still with Scherrer Construction as a Journeyman Carpenter. Lis is teaching fulltime Kindergarten in Pewaukee. They are continuing to remodel their home – always a new project over there!

JoAnna is finishing her 3rd semester at UW-Milwaukee in Music Education and Oboe Performance. With her double major, we have not seen her much this year. Her time is very much in demand as she plays in both a Wind Ensemble and a Symphony Orchestra on campus.

Bob is still with Gustafson Construction but is now seriously thinking that he will retire within the next year. That would really be awesome, as he would be able to get all the work that needs to be done on the farm without so many time crunches!

Ann is still teaching K – 1 – 2 & 3 General Music and is just “happy as a clam” in doing so.

We all wish you and yours a very happy holiday season!
