paper found in a box which
belonged to Emeline Hubley Pardee

Grandfather Benjamin Cutler
came from old Plainfield Conn.
Came to Plainfield N. H. bought
a farm, went back to the
same place for his wife.
(Mary Dunlap) and brought her
on horseback.

They had six children
William? Sally who married
Thomas Gallup; Elizabeth
married Leonard Daniels;
Mary married Reuben True.
Benjamin married Mary Fox.
Eunice never married, was
over thirty when she died.

Leonard Daniels' children
were Athbert, Hamden,

(over)

Francis, Leonard, Mary.

Elizabeth Athbert succeeded to his grandfathers farm and lived there during his life.

Chester, if you can make any use of this, I shall be repaid. I can't tell whether grandfathers were married before or after the Revolution, I suppose after.
