

In 1962, I started my teaching career in Kenosha County at the Pares Consolidated School.

Faith Coughlin was one of my 2<sup>nd</sup> grade students, a very bright, happy, willing & fun loving child. Thru the school year I became friends with her parents, Wayne & Marge Coughlin. Wayne was a Market Research Manager at J. I. Case. at the time the J. I. Case company was in financial trouble & many of the shops were closing. Their symbol was the bald eagle standing on top of the world. These symbols were ~~being~~ becoming collector items. Wayne had access to one of them. Hence was teaching at the Eagle Grade School. Wayne was willing to donate one of the eagles to the school. Hence & I drove over El Camino to Sturtevant, picked up the eagle & delivered it

to the school.

Lancee contacted Melody Erd to repaint the symbol - which she very willingly did.

The Eagle PTO members completed the base & incorporated the 1928 original cornerstone.

I was in the right place at the right time, as was Lancee - hence, the eagle -
