

Leonard Hinkley Grave Dedication

Elaine,

I received notification that a Civil War group, Sons of Union Veterans of the Civil War, has found the unmarked grave of Eagle soldier Leonard Hinkley in Forest Home Cemetery in Milwaukee. Len was the oldest son of Eagle's first settler, Ahira Hinkley.

The group has received a new government headstone and will dedicate the newly marked grave, dressed in Civil War uniforms, on Sunday September 26, 2021 at 2:30 pm. I plan on attending, and want to let others know of the grave dedication.

Thanks,

Michael Rice
