

Hi Elaine:

Just wanted to mail
the check to you, not
just a box number.

Maybe there is still
some more things that
need to be done in the
meeting room or use
the money for other
repairs or things that
you need to buy!

Just let me know how
the money is used.

Hopefully you are feeling
better and all went well
on your last time in
the hospital!

Happy Holidays to you
and your family!

Vernette

P.S. Excuse the poor writing
my eyes are not good today!

Dear Vernetta,

Thank you so much for your generous donation to the Eagle Historical Society. I tried calling you a number of times and then remembered you told me you would be in Florida.

I didn't want to post the amount of your donation in our newsletter until I had your permission.

We have been talking about enclosing the back porch/deck to make it a meeting room. We are in the process of getting permission from the Town and Village to make changes to the building. If it's feasible to enclose that area, we would use your donation to build the Vernetta Heare meeting room.

Please call me when you get home.
