THE OBITUARY OF MISS JENNIE WEST OF NORTH PRAIRIE

AND WAUKESHA.

JUNE 16/ 1931.

The late Miss Jennie West was the daughter of William and Elizabeth West, of England. Early in life the parents came to America, residing first in Michigan, then, after three years, migrating to Wisconsin, in which state they purchased from the Government what has ever since been known ~~as the West Farm~~ to the people of this community as the West Farm.

On Aug. 3d, 1853 Miss Jennie West was born. She was one of a family of seven-five ~~boys~~ girls and two boys, Mrs. A. Hinkley being now the sole surviving member.

Up to twenty years ago Miss West lived in North Prairie. She then made her home in the city of Waukesha with the Sherman family of Grand Avenue, which has been her home ever since.

She has been a member of this church for many years, from the time of her girlhood. That membership she still holds, although, during her stay in Waukesha she has been actively affiliated with the M.E. church of that city. She is also a member of long standing in both the Home and Foreign Mission Societies.

About three months ago it was noticed by those with whom she was living that she was sick. That sickness became more pronounced. Three weeks ago she was brought to North Prairie, to the home of her sister, Mrs. A. Hinkley. All through that period it could be seen that her condition was one that gave cause for grave thought. On Saturday she passed suddenly and peacefully away.

Miss West was that kind of a woman that the world generally can ill afford to lose. She will be remembered for that quiet disposition, that ever-ready smile, that very telling influence which a good life always gives, and that practical assistance which she was always ready to render.
