Mrs. Leola Turner, Librarian
Powers Memorial Library
Palmyra, Wisconsin 53156

Dear Mrs. Turner:

We have your letter on requesting information on a summer library for the Town of Eagle and a loan of books from us.

Could you ask the woman from Eagle to write Mr. Richard Wolfert, Director of Reference and Loan, and tell exactly what she has in mind? For example, is it a children's program, who sponsors it, and what is the length of time? While we do not lend collections of books to any degree, they may be eligible for one. Mr. Wolfert's address is also P.O. Box 1437, Madison. We think this would be an easier way of handling the specifics without troubling you.

Sincerely,

Ione A. Nelson
Co-ordinator of Field Services
